RE: Rent Adjustment Notification

Dear Resident(s):

Please be advised your monthly rent will be increased to **\$7XX.00** effective **May 1, 2016**.

Please note that majority of the increase amount comes from the increase in property tax from the sale/purchase of the park.

If you believe this increase will create a financial hardship on you, and you have lived in the park for more than three (3) years, you may wish to apply for the Rental Assistance by contacting your Park Manager for an application.

Thank you for your continued residency in Corona La Linda Mobile Home Park.

Sincerely,

Abe Arrigotti
President
