2026 CALIFORNIA MOBILEHOME RESIDENCY LAW

INTRODUCTION

Most of the provisions of the California Mobilehome Residency Law (MRL) were enacted piecemeal over a number of years and eventually codified under Chapter 2.5 of the Civil Code in 1978. Since 1978, a number of sections have been amended and others added to the Code. The MRL is divided into nine Articles, by subject, as indicated in the accompanying Table of Contents.

The Mobilehome Residency Law, like provisions of conventional landlord-tenant law, are enforced by the courts; that is, the disputing parties must enforce the MRL against one another in a court of law. The State Department of Housing and Community Development does not have authority to enforce these Civil Code provisions. For example, a park owner must utilize an unlawful detainer procedure in a court to evict a homeowner for non-payment of rent or failure to abide by reasonable park rules. By the same token, a manufactured home owner must bring legal action, in court, to enforce a notice or other MRL requirement, or obtain an injunction, if the management will not otherwise abide by the MRL.

Other selected laws not part of the MRL but related to park residency are included in this handbook. These include the Recreational Vehicle Park Occupancy Law, first enacted in 1979, which governs tenancies in RV parks. The RV Park Occupancy Law was substantially revised in 1992, dividing it into seven Articles. Also enclosed are relevant laws on mobilehome resale disclosure, park emergency preparedness plans, mobilehome park polling places, registration and titles, and traffic enforcement in mobilehome parks.

NOTE: Mobilehome Residency Law Protection Program (MRLPP). Beginning July 1, 2021, any mobilehome or manufactured homeowner living in a mobilehome park under a rental agreement may submit a complaint for an alleged violation of the Mobilehome Residency Law. Any mobilehome or manufactured homeowner residing in a permitted mobilehome park is eligible to submit a complaint. Complaints must be submitted to HCD. HCD provides assistance to help resolve and coordinate resolution of the most severe alleged violations of the Mobilehome Residency Law. For questions regarding the MRLPP please call (800) 952-8356, email MRLComplaint@hcd.ca.gov or visit www.hcd.ca.gov. A copy of the MRLPP complaint is located at the end of this publication.

For the 2026 edition, There are three (3) Assembly Bills (AB) and one (1) Senate Bill (SB) relating to mobilehomes that have been signed into law by the Governor to become effective Thursday, January 1, 2026.

(e)

- (1) All management who obtains the affirmative, written consent of a homeowner or resident to receive notices by electronic mail pursuant to subdivision (c) shall, within five days, deliver personally or by mail to each homeowner or resident who gives consent the following notice, in English and any language set forth in subdivision (b) of Section 1632 used as the primary language during the negotiation of the rental agreement, in a clear and conspicuous manner, in at least 10-point Arial equivalent type:

“You have agreed to receive only electronic copies of notices that your mobilehome park management is required to send you by law. This means that you may not receive important notices on your door or in the mail. You may revoke this agreement, without any penalty or obligation, at any time. To revoke this agreement, send a written notice to your management that states that you no longer agree to receive electronic notices.”

- (2) The notice described in paragraph (1) shall include the name and address of the entity to whom the homeowner or resident may deliver revocation of affirmative, written consent.

(Amended by Stats. 2025, Ch. 339, Sec. 1. ([AB 391](#), Michelle Rodriguez) Effective January 1, 2026.)

- (c) A copy of the text of this chapter shall be provided as an exhibit and shall be incorporated into the rental agreement by reference. Management shall do one of the following prior to February 1 of each year, if a significant change was made in this chapter by legislation enacted in the prior year:
 - (1) Provide all homeowners with a copy of this chapter.

For purposes of this subdivision, a reasonable period of time to repair a sudden or unforeseeable breakdown or deterioration shall be as soon as possible in situations affecting a health or safety condition, and shall not exceed 30 days in any other case except where exigent circumstances justify a delay.
- (e) A description of the physical improvements to be provided the homeowner during the homeowner's tenancy.
- (f) A provision listing those services which will be provided at the time the rental agreement is executed and will continue to be offered for the term of tenancy and the fees, if any, to be charged for those services.
- (g) A provision stating that management may charge a reasonable fee for services relating to the maintenance of the land and premises upon which a mobilehome is situated in the event the homeowner fails to maintain the land or premises in accordance with the rules and regulations of the park after written notification to the homeowner and the failure of the homeowner to comply within 14 days. The written notice shall state the specific condition to be corrected and an estimate of the charges to be imposed by management if the services are performed by management or its agent.
- (h) All other provisions governing the tenancy.
- (i) A copy of the following notice. Management shall also, prior to February 1 of each year, provide a copy of the following notice to all homeowners:

(Civil Code Sections [798.55](#), [798.56](#)) Homeowners must pay rent, utility charges, and reasonable incidental service charges in a timely manner. - (9) In California, mobilehome owners must pay annual property tax to the county tax collector or an annual fee in lieu of taxes to the Department of Housing and Community Development (HCD). If you are unsure which to pay, contact HCD. Failure to pay taxes or in lieu fees can have serious consequences, including losing your home at a tax sale.

The HCD contracts with nonprofit legal service providers and refers complaints of alleged MRL violations to these legal service providers. The HCD may not arbitrate, mediate, negotiate, or provide legal advice in connection with mobilehome park rent disputes, lease or rental agreements, or disputes arising from lease or rental agreements, but may provide information on these issues to the complaining party, management, or other responsible party. The MRLPP is funded by an annual registration fee of \$10.00 for each permitted mobilehome lot, collected from management, which management may pass on and collect from the homeowner at the time of rent payment. The annual MRLPP registration fee must appear as a separate line item on the rent bill and be accompanied by a clear written description of the purposes of the charge, along with contact information for the HCD. For questions regarding the fee or the MRLPP, contact: the HCD at MHAssistance@hcd.ca.gov or by calling (800) 952-8356.

- (a) The rental agreement may include other provisions permitted by law, but need not include specific language contained in state or local laws not a part of this chapter.

- (b) Management shall return an executed copy of the rental agreement to the homeowner within 15 business days after management has received the rental agreement signed by the homeowner.

(Amended by Stats. 2004, Ch. 302, Sec. 1. (AB 2351, Corbett) Effective January 1, 2005.)

§798.17 RENTAL AGREEMENTS EXEMPT FROM RENT CONTROL

- (a)
- (1) Except as provided in subdivisions (i), (j), and (k), rental agreements meeting the criteria of subdivision (b) shall be exempt from any ordinance, rule, regulation, or initiative measure adopted by any local governmental entity which establishes a maximum amount that a landlord may charge a tenant for rent. The terms of a rental agreement meeting the criteria of subdivision (b) shall prevail over conflicting provisions of an ordinance, rule, regulation, or initiative measure limiting or restricting rents in mobilehome parks, only during the term of the rental agreement or one or more uninterrupted, continuous extensions thereof. If the rental agreement is not extended and no new rental agreement in excess of 12 months' duration is entered into, then the last rental rate charged for the space under the previous rental agreement shall be the base rent for purposes of applicable provisions of law concerning rent regulation, if any.
 - (2) In the first sentence of the first paragraph of a rental agreement entered into on or after January 1, 1993, pursuant to this section, there shall be set forth a provision in at least 12-point boldface type if the rental agreement is printed, or in capital letters if the rental agreement is typed, giving notice to the homeowner that the rental agreement will be exempt from any ordinance, rule, regulation, or initiative measure adopted by any local governmental entity which establishes a maximum amount that a landlord may charge a tenant for rent.
- (b) Rental agreements subject to this section shall meet all of the following criteria:
- (1) The rental agreement shall be in excess of 12 months' duration.
 - (2) The rental agreement shall be entered into between the management and a homeowner for the personal and actual residence of the homeowner.
 - (3) The homeowner shall have at least 30 days from the date the rental agreement is first offered to the homeowner to accept or reject the rental agreement.
 - (4) The homeowner who signs a rental agreement pursuant to this section may void the rental agreement by notifying management in writing within 72 hours of returning the signed rental agreement to management. This paragraph shall only apply if management provides the homeowner a copy of the signed rental agreement at the time the homeowner returns the signed rental agreement.
 - (5) The homeowner who signs a rental agreement pursuant to this section may void the agreement within 72 hours of receiving an executed copy of the rental agreement pursuant to Section [798.16](#). This paragraph shall only apply if management does not provide the homeowner with a copy of the signed rental agreement at the time the homeowner returns the signed rental agreement.
- (c) If, pursuant to paragraph (3) or (4) of subdivision (b), the homeowner rejects the offered rental agreement or rescinds a signed rental agreement, the homeowner shall be entitled to

instead accept, pursuant to Section [798.18](#), a rental agreement for a term of 12 months or less from the date the offered rental agreement was to have begun. In the event the homeowner elects to have a rental agreement for a term of 12 months or less, including a month-to-month rental agreement, the rental agreement shall contain the same rental charges, terms, and conditions as the rental agreement offered pursuant to subdivision (b), during the first 12 months, except for options, if any, contained in the offered rental agreement to extend or renew the rental agreement.

- (d) Nothing in subdivision (c) shall be construed to prohibit the management from offering gifts of value, other than rental rate reductions, to homeowners who execute a rental agreement pursuant to this section.
- (e) With respect to any space in a mobilehome park that is exempt under subdivision (a) from any ordinance, rule, regulation, or initiative measure adopted by any local governmental entity that establishes a maximum amount that a landlord may charge a homeowner for rent, and notwithstanding any ordinance, rule, regulation, or initiative measure, a mobilehome park shall not be assessed any fee or other exaction for a park space that is exempt under subdivision (a) imposed pursuant to any ordinance, rule, regulation, or initiative measure. No other fee or other exaction shall be imposed for a park space that is exempt under subdivision (a) for the purpose of defraying the cost of administration thereof.
- (f) At the time the rental agreement is first offered to the homeowner, the management shall provide written notice to the homeowner of the homeowner's right (1) to have at least 30 days to inspect the rental agreement, and (2) to void the rental agreement by notifying management in writing within 72 hours of receipt of an executed copy of the rental agreement. The failure of the management to provide the written notice shall make the rental agreement voidable at the homeowner's option upon the homeowner's discovery of the failure. The receipt of any written notice provided pursuant to this subdivision shall be acknowledged in writing by the homeowner.
- (g) No rental agreement subject to subdivision (a) that is first entered into on or after January 1, 1993, shall have a provision which authorizes automatic extension or renewal of, or automatically extends or renews, the rental agreement for a period beyond the initial stated term at the sole option of either the management or the homeowner.
- (h) This section does not apply to or supersede other provisions of this part or other state law.
- (i) This section shall not apply to any rental agreement entered into on or after January 1, 2021.
- (j) This section shall not apply to any rental agreement entered into from February 13, 2020, to December 31, 2020, inclusive.
- (k) This section shall remain in effect until January 1, 2025, and as of that date is repealed. As of January 1, 2025, any exemption pursuant to this section shall expire.
- (l) The provisions of this section are severable. If any provision of this section or its application is held invalid, that invalidity shall not affect other provisions or applications that can be given effect without the invalid provision or application.

(Amended by Stats. 2020, Ch. 35, Sec. 2. ([AB 2782](#), Stone) Effective January 1, 2021. Repealed as of January 1, 2025, by its own provisions.)

§798.18 LENGTH OF AGREEMENT; COMPARABLE MONTHLY TERMS

- (a) A homeowner shall be offered a rental agreement for (1) a term of 12 months, or (2) a lesser period as the homeowner may request, or (3) a longer period as mutually agreed upon by both the homeowner and management.
- (b) No rental agreement shall contain any terms or conditions with respect to charges for rent, utilities, or incidental reasonable service charges that would be different during the first 12 months of the rental agreement from the corresponding terms or conditions that would be offered to the homeowners on a month-to-month basis.
- (c) No rental agreement for a term of 12 months or less shall include any provision which authorizes automatic extension or renewal of, or automatically extends or renews, the rental agreement beyond the initial term for a term longer than 12 months at the sole option of either the management or the homeowner.

(Amended by Stats. 1992, Ch. 289, Sec. 2. (SB 1454, Craven) Effective January 1, 1993.)

(Amended by Stats. 1982, Ch. 1397, Sec. 7. (AB 2429, Cortese) Effective January 1, 1983.)

§798.19.5 PARK OWNER RIGHT OF FIRST REFUSAL TO PURCHASE HOME

A rental agreement entered into or renewed on and after January 1, 2006, shall not include a clause, rule, regulation, or any other provision that grants to management the right of first refusal to purchase a homeowner's mobilehome that is in the park and offered for sale to a third party pursuant to Article 7 (commencing with Section [798.70](#)). This section does not preclude a separate agreement for separate consideration granting the park owner or management a right of first refusal to purchase the homeowner's mobilehome that is in the park and offered for sale.

(Added by Stats. 2005, Ch. 35, Sec. 1. ([SB 237](#), Migden) Effective January 1, 2006.)

- (b) Notwithstanding subdivision (a), with respect to familial status, subdivision (a) shall not be construed to apply to housing for older persons, as defined in Section [12955.9](#) of the Government Code. §798.21 NOT PRINCIPAL RESIDENCE – RENT CONTROL EXEMPT

- (a) Notwithstanding Section [798.17](#), if a mobilehome space within a mobilehome park is not the principal residence of the homeowner and the homeowner has not rented the mobilehome to another party, it shall be exempt from any ordinance, rule, regulation, or initiative measure adopted by any city, county, or city and county, which establishes a maximum amount that the landlord may charge a tenant for rent.
- (b) Nothing in this section is intended to require any homeowner to disclose information concerning his or her personal finances. Nothing in this section shall be construed to authorize management to gain access to any records which would otherwise be confidential or privileged.
- (c) For purposes of this section, a mobilehome shall be deemed to be the principal residence of the homeowner, unless a review of state or county records demonstrates that the homeowner is receiving a homeowner's exemption for another property or mobilehome in this state, or unless a review of public records reasonably demonstrates that the principal residence of the homeowner is out of state.
- (d) Before modifying the rent or other terms of tenancy as a result of a review of records, as described in subdivision (c), the management shall notify the homeowner, in writing, of the proposed changes and provide the homeowner with a copy of the documents upon which management relied.
- (e) The homeowner shall have 90 days from the date the notice described in subdivision (d) is mailed to review and respond to the notice. Management may not modify the rent or other terms of tenancy prior to the expiration of the 90-day period or prior to responding, in writing, to information provided by the homeowner. Management may not modify the rent or other terms of tenancy if the homeowner provides documentation reasonably establishing that the information provided by management is incorrect or that the homeowner is not the same person identified in the documents. However, nothing in this subdivision shall be construed to authorize the homeowner to change the homeowner's exemption status of the other property or mobilehome owned by the homeowner.
- (f) This section does not apply under any of the following conditions:
 - (1) The homeowner is unable to rent or lease the mobilehome because the owner or management of the mobilehome park in which the mobilehome is located does not permit, or the rental agreement limits or prohibits, the assignment of the mobilehome or the subletting of the park space.
 - (2) The mobilehome is being actively held available for sale by the homeowner, or pursuant to a listing agreement with a real estate broker licensed pursuant to Chapter 3 (commencing with Section [10130](#)) of Part 1 of Division 4 of the Business and Professions Code, or a mobilehome dealer, as defined in Section [18002.6](#) of the Health and Safety Code. A homeowner, real estate broker, or mobilehome dealer attempting to sell a mobilehome shall actively market and advertise the mobilehome for sale in good faith to bona fide purchasers for value in order to remain exempt pursuant to this subdivision.

- (3) The legal owner has taken possession or ownership, or both, of the mobilehome from a registered owner through either a surrender of ownership interest by the registered owner or a foreclosure proceeding.

Recreational vehicles may be located only in the specifically designated area.
- (b) Any new mobilehome park that is developed after January 1, 1982, is not subject to the provisions of this section until 75 percent of the spaces have been rented for the first time.

A homeowner's tenancy may not be terminated under this paragraph if the homeowner completes an action for unlawful detainer or executes a judgment for possession, pursuant to Chapter 4 (commencing with Section [1159](#)) of Title 3 of Part 3 of the Code of Civil Procedure within 60 days of the homeowner receiving notice of termination of tenancy.

Management may retain this security deposit for the duration of the term of the rental or sublease.

If a vehicle rule violation is corrected within seven days after the rule violation notice is posted on the vehicle, the vehicle may not be removed. If a vehicle upon which a rule violation notice has been posted is removed from the park by a homeowner or resident and subsequently is returned to the park still in violation of the rule stated in the notice, management is not required to post any additional notice on the vehicle, and the vehicle may be removed after the expiration of the seven-day period following the original notice posting.

- (2) If a vehicle poses a significant danger to the health or safety of a park resident or guest, or if a homeowner or resident requests to have a vehicle removed from their driveway or designated parking space, the requirements of paragraph (1) do not apply, and management may remove the vehicle pursuant to Section [22658](#) of the Vehicle Code.

§798.30.5 RENT RESTRICTIONS BETWEEN TWO INCORPORATED CITIES

(a)

(1) Subject to subdivision (b), management shall not, over the course of any 12-month period, increase the gross rental rate for a tenancy in a qualified mobilehome park more than 3 percent plus the percentage change in the cost of living, or 5 percent, whichever is lower, of the lowest gross rental rate charged for a tenancy at any time during the 12 months prior to the effective date of the increase.

(2) If the same homeowner maintains a tenancy over any 12-month period, the gross rental rate for the tenancy shall not be increased in more than two increments over that 12-month period, subject to the other restrictions of this subdivision governing gross rental rate increase.

(b) For a new tenancy in which no homeowner from the prior tenancy remains in lawful possession of the mobilehome space, management may establish the initial rental rate not subject to subdivision (a), unless the applicable local agency or jurisdiction has adopted an ordinance, rule, regulation, or initiative measure that limits the allowable rental rate for a new tenancy, in which case that ordinance, rule, regulation, or initiative measure shall apply. Subdivision (a) shall be applicable to subsequent increases after that initial rental rate has been established, except as otherwise provided in this section.

(c) A homeowner with a tenancy subject to this section shall not enter into a sublease that results in a total rent for the premises that exceeds the allowable rental rate authorized by subdivision (c) of Section [798.23.5](#). Nothing in this subdivision authorizes a homeowner to sublet or assign the homeowner's interest where otherwise prohibited.

(d) Management shall provide notice of any increase in the rental rate, pursuant to subdivision (a), to each homeowner in accordance with Section [798.30](#).

(e) This section shall not apply to a tenancy for any of the following:

(2) A mobilehome space constructed and maintained in connection with any higher education institution within the state for use and occupancy by students in attendance at the institution.

 - (1)
 - (A) This section shall apply to all rent increases occurring on or after February 18, 2021.
 - (B) This section shall become operative January 1, 2022.
 - (2) In the event that management has increased the rent by more than the amount permissible under subdivision (a) between February 18, 2021, and January 1, 2022, both of the following shall apply:
 - (A) The applicable rent on January 1, 2022, shall be the rent as of February 18, 2021, plus the maximum permissible increase under subdivision (a).
 - (B) Management shall not be liable to a homeowner for any corresponding rent overpayment.
 - (3) Management subject to subdivision (a) who increased the rental rate for a tenancy on or after February 18, 2021, but prior to January 1, 2022, by an amount less than the rental rate increase permitted by subdivision (a) shall be allowed to increase the rental rate twice, as provided in paragraph (2) of subdivision (a), within 12 months of February 18, 2021, but in no event shall that rental rate increase exceed the maximum rental rate increase permitted by subdivision (a).

- (4) “Qualified mobilehome park” means a mobilehome park, as defined in Section [798.4](#), that is located within and governed by the jurisdictions of two or more incorporated cities.

However, if a local ordinance, rule, regulation, or initiative measure allows for a rental rate increase greater than that provided in subdivision (a), this section shall apply.
- (2) Nothing in this section alters the application of Sections [798.17](#), [798.45](#), or [798.49](#) to any ordinance, rule, regulation, or initiative measure that establishes a maximum amount that may be charged for rent.
- (3) This section is not intended to express any policy regarding the appropriate, allowable rental rate increase limitations when a local government or jurisdiction adopts an ordinance, rule, regulation, or initiative measure regulating rent increases.

(j) This section shall remain in effect only until January 1, 2030, and as of that date is repealed.

(Added by Stats. 2021, Ch. 125, Sec. 2. ([AB 978](#), Quirk-Silva) Effective January 1, 2022. Repealed as of January 1, 2030, by its own provisions.)

[§798.31](#) AUTHORIZED FEES CHARGED

A homeowner shall not be charged a fee for other than rent, utilities, and incidental reasonable charges for services actually rendered.

A homeowner shall not be charged a fee for obtaining a lease on a mobilehome lot for (1) a term of 12 months, or (2) a lesser period as the homeowner may request. A fee may be charged for a lease of more than one year if the fee is mutually agreed upon by both the homeowner and management.

(Amended by Stats. 1984, Ch. 624, Sec. 1. (SB 1487, Ellis) Effective January 1, 1985.)

[§798.32](#) FEES CHARGED FOR UNLISTED SERVICES WITHOUT NOTICE

- (a) A homeowner shall not be charged a fee for services actually rendered which are not listed in the rental agreement unless he or she has been given written notice thereof by the management, at least 60 days before imposition of the charge.
- (b) Those fees and charges specified in subdivision (a) shall be separately stated on any monthly or other periodic billing to the homeowner. If the fee or charge has a limited duration or is amortized for a specified period, the expiration date shall be stated on the initial notice and each subsequent billing to the homeowner while the fee or charge is billed to the homeowner.

(Amended by Stats. 1992, Ch. 338, Sec. 1. (SB 1365, Leslie) Effective January 1, 1993.)

- (a) No lease agreement entered into, modified, or renewed on or after January 1, 2001, shall prohibit a homeowner from keeping at least one pet within the park, subject to reasonable rules and regulations of the park. This section may not be construed to affect any other rights provided by law to a homeowner to keep a pet within the park.

- (b) A homeowner shall not be charged a fee for keeping a pet in the park unless the management actually provides special facilities or services for pets. If special pet facilities are maintained by the management, the fee charged shall reasonably relate to the cost of maintenance of the facilities or services and the number of pets kept in the park.
- (c) For purposes of this section, “pet” means any domesticated bird, cat, dog, aquatic animal kept within an aquarium, or other animal as agreed to between the management and the homeowner.

§798.34 GUEST AND LIVE-IN CARE PROVIDERS

- (a) A homeowner shall not be charged a fee for a guest who does not stay with the homeowner for more than a total of 20 consecutive days or a total of 30 days in a calendar year. A person who is a guest, as described in this subdivision, shall not be required to register with the management.
- (b) A homeowner who is living alone in the mobilehome and who wishes to share occupancy of their mobilehome with one other person, to be designated as the homeowner’s companion, may do so, and management shall not impose a fee for that person. For purposes of this subdivision, a homeowner may only designate one person at a time as a companion and shall not designate more than three companions in total during any calendar year, unless otherwise authorized by management. Management may refuse to allow a homeowner to share their mobilehome with a companion under this subdivision if park residency is subject to age restrictions and the proposed companion is unable or unwilling to provide documentation that the proposed companion meets those age restrictions.
- (c) A homeowner may share their mobilehome with any person over 18 years of age if that person is providing live-in health care, live-in supportive care, or supervision to the homeowner. Management shall not charge a fee for the live-in caregiver but may require written confirmation from a licensed health care professional of the homeowner’s need for the care or supervision, if the need is not readily apparent or already known to management.
- (d) A senior homeowner who resides in a mobilehome park that has implemented rules or regulations limiting residency based on age requirements for housing for older persons, pursuant to Section [798.76](#), may share their mobilehome with any person over 18 years of age if this person is a parent, sibling, child, or grandchild of the senior homeowner and requires live-in health care, live-in supportive care, or supervision. Management shall not charge a fee for this parent, sibling, child, or grandchild, but may require written confirmation from a licensed health care professional of the need for the care or supervision, if the need is not readily apparent or already known to management. As used in this section, “senior homeowner” means a homeowner who is 55 years of age or older.
- (e) A guest, companion, live-in caregiver, or family member under the care of a senior homeowner, as they are described in this section, shall have no rights of tenancy in the park, and any agreement between the homeowner and the guest, companion, live-in caregiver, or family member under the care of a senior homeowner shall not change the terms and conditions of the rental agreement between management and the homeowner.

- (f) A violation of the mobilehome park rules and regulations by a guest, companion, live-in caregiver, or family member under the care of a senior homeowner, as they are described in this section, shall be deemed a violation of the rules and regulations by the homeowner and subject to subdivision (d) of Section [798.56](#).
- (g) Nothing in this section shall be interpreted to create a duty on the part of management to manage, supervise, or provide care for a homeowner's guest, companion, live-in caregiver, or family member under the care of a senior homeowner, during that person's stay in the mobilehome park.

(Amended by Stats. 2019, Ch. 504, Sec. 1. ([SB 274](#)) Effective January 1, 2020.)

§798.35 MEMBERS OF IMMEDIATE FAMILY – NO FEES

A homeowner shall not be charged a fee based on the number of members in his or her immediate family. As used in this section, the "immediate family" shall be limited to the homeowner, his or her spouse, their parents, their children, and their grandchildren under 18 years of age.

(Amended by Stats. 1995, Ch. 24, Sec. 1. ([AB 283](#), Cortese) Effective January 1, 1996.)

§798.36 ENFORCEMENT OF PARK RULES

- (a) A homeowner shall not be charged a fee for the enforcement of any of the rules and regulations of the park, except a reasonable fee may be charged by management for the maintenance or cleanup, as described in subdivision (b), of the land and premises upon which the mobilehome is situated in the event the homeowner fails to do so in accordance with the rules and regulations of the park after written notification to the homeowner and the failure of the homeowner to comply within 14 days. The written notice shall state the specific condition to be corrected and an estimate of the charges to be imposed by management if the services are performed by management or its agent.
- (b)
 - (1) If management determines, in good faith, that the removal of a homeowner's or resident's personal property from the land and premises upon which the mobilehome is situated is necessary to bring the premises into compliance with the reasonable rules and regulations of the park or the provisions of the Mobilehome Parks Act (Part 2.1 (commencing with Section [18200](#)) of Division 13 of the Health and Safety Code) or [Title 25 of the California Code of Regulations](#), management may remove the property to a reasonably secure storage facility. Management shall provide written notice of at least 14 days of its intent to remove the personal property, including a description of the property to be removed. The notice shall include the rule, regulation, or code justifying the removal and shall provide an estimate of the charges to be imposed by management. The property to be removed shall not include the mobilehome or its appurtenances or accessory structures.
 - (2) The homeowner or resident shall be responsible for reimbursing to management the actual, reasonable costs, if any, of removing and storing the property. These costs incurred by management in correcting the rules violation associated with the removal and storage of the property, are deemed reasonable incidental service charges and may be collected pursuant to subdivision (e) of Section [798.56](#) if a notice of nonpayment of the removal and storage fees, as described in paragraph (3), is personally served on the homeowner.

- (3) Within seven days from the date the property is removed to a storage area, management shall provide the homeowner or resident a written notice that includes an inventory of the property removed, the location where the property may be claimed, and notice that the cost of removal and storage shall be paid by the resident or homeowner. If, within 60 days, the homeowner or resident does not claim the property, the property shall be deemed to be abandoned, and management may dispose of the property in any manner. The homeowner's or resident's liability for storage charges shall not exceed 60 days. If the homeowner or resident claims the property, but has not reimbursed management for storage costs, management may bill those costs in a monthly statement which shall constitute notice of nonpayment, and the costs shall become the obligation of the homeowner or resident. If a resident or homeowner communicates in writing his or her intent to abandon the property before 60 days has expired, management may dispose of the property immediately and no further storage charges shall accrue.
- (4) If management elects to dispose of the property by way of sale or auction, and the funds received from the sale or auction exceed the amount owed to management, management shall refund the difference to the homeowner or resident within 15 days from the date of management's receipt of the funds from the sale or auction. The refund shall be delivered to the homeowner or resident by first-class mail postage prepaid to his or her address in the park, or by personal delivery, and shall include an accounting specifying the costs of removal and storage of the property incurred by management in correcting the rules violation and the amount of proceeds realized from any sale or auction. If a sale or auction of the property yields less than the costs incurred by management, the homeowner or resident shall be responsible for the difference, and this amount shall be deemed a reasonable incidental service charge and may be collected pursuant to subdivision (e) of Section [798.56](#) if a notice of nonpayment of the removal and storage fees, as described in paragraph (3), is personally served on the homeowner. If management elects to proceed under this section, it may not also terminate the tenancy pursuant to subdivision (d) of Section [798.56](#) based upon the specific violations relied upon to proceed under this section. In any proceeding under this section, management shall bear the burden of proof that enforcement was undertaken in a nondiscriminatory, nonselective fashion.

(Amended by Stats. 2005, Ch. 24, Sec. 1. ([SB 125](#), Dutton) Effective January 1, 2006.)

§798.37 ENTRY, HOOKUP, LANDSCAPING AND MAINTENANCE CHARGES

A homeowner may not be charged a fee for the entry, installation, hookup, or landscaping as a condition of tenancy except for an actual fee or cost imposed by a local governmental ordinance or requirement directly related to the occupancy of the specific site upon which the mobilehome is located and not incurred as a portion of the development of the mobilehome park as a whole. However, reasonable landscaping and maintenance requirements may be included in the park rules and regulations. The management may not require a homeowner or prospective homeowner to purchase, rent, or lease goods or services for landscaping, remodeling, or maintenance from any person, company, or corporation.

(Amended by Stats. 2004, Ch. 302, Sec. 4. ([AB 2351](#), Corbett) Effective January 1, 2005.)

§798.37.5 TREES AND DRIVEWAYS

- (a) With respect to trees on rental spaces in a mobilehome park, park management shall be solely responsible for the trimming, pruning, or removal of any tree, and the costs thereof, upon written notice by a homeowner or a determination by park management that the tree poses a specific hazard or health and safety violation. In the case of a dispute over that assertion, the park management or a homeowner may request an inspection by the Department of Housing and Community Development or a local agency responsible for the enforcement of the Mobilehome Parks Act (Part 2.1 (commencing with Section [18200](#)) of Division 13 of the Health and Safety Code) in order to determine whether a violation of that act exists.
- (b) With respect to trees in the common areas of a mobilehome park, park management shall be solely responsible for the trimming, pruning, or removal of any tree, and the costs thereof.
- (c) Park management shall be solely responsible for the maintenance, repair, replacement, paving, sealing, and the expenses related to the maintenance of all driveways installed by park management including, but not limited to, repair of root damage to driveways and foundation systems and removal. Homeowners shall be responsible for the maintenance, repair, replacement, paving, sealing, and the expenses related to the maintenance of a homeowner installed driveway. A homeowner may be charged for the cost of any damage to the driveway caused by an act of the homeowner or a breach of the homeowner's responsibilities under the rules and regulations so long as those rules and regulations are not inconsistent with the provisions of this section.
- (d) No homeowner may plant a tree within the mobilehome park without first obtaining written permission from the management.
- (e) This section shall not apply to alter the terms of any rental agreement in effect prior to January 1, 2001, between the park management and the homeowner regarding the responsibility for the maintenance of trees and driveways within the mobilehome park, except that upon any renewal or extension, the rental agreement shall be subject to this section. This section is not intended to abrogate the content of any existing rental agreement or other written agreements regarding trees or driveways that are in effect prior to January 1, 2001.
- (f) This section shall only apply to rental agreements entered into, renewed, or extended on or after January 1, 2001.
- (g) Any mobilehome park rule or regulation shall be in compliance with this section.

(Amended by Stats. 2014, Ch. 298, Sec. 1. ([AB 2753](#), Committee on Housing and Community Development) Effective January 1, 2015.)

§798.38 NO LIEN/SECURITY INTEREST EXCEPT BY MUTUAL AGREEMENT

The management shall not acquire a lien or security interest, other than an interest arising by reason of process issued to enforce a judgment of any court, in a mobilehome located in the park unless it is mutually agreed upon by both the homeowner and management. Any billing and payment upon the obligation shall be kept separate from current rent.

(Added by renumbering Section 798.40 by Stats. 2009, Ch. 558, Sec. 5. ([SB 111](#), Correa) Effective January 1, 2010.)

§798.39 SECURITY DEPOSITS

- (a) The management may only demand a security deposit on or before initial occupancy and the security deposit may not be in an amount or value in excess of an amount equal to two months' rent that is charged at the inception of the occupancy, in addition to any rent for the first month. In no event shall additional security deposits be demanded of a homeowner following the initial occupancy.
- (b) As to all security deposits collected on or after January 1, 1989, after the homeowner has promptly paid to the management, within five days of the date the amount is due, all of the rent, utilities, and reasonable service charges for any 12-consecutive-month period subsequent to the collection of the security deposit by the management, or upon resale of the mobilehome, whichever occurs earlier, the management shall, upon the receipt of a written request from the homeowner, refund to the homeowner the amount of the security deposit within 30 days following the end of the 12-consecutive-month period of the prompt payment or the date of the resale of the mobilehome.
- (c) As to all security deposits collected prior to January 1, 1989, upon the extension or renewal of the rental agreement or lease between the homeowner and the management, and upon the receipt of a written request from the homeowner, if the homeowner has promptly paid to the management, within five days of the date the amount is due, all of the rent, utilities, and reasonable service charges for the 12-consecutive-month period preceding the receipt of the written request, the management shall refund to the homeowner the amount of the security deposit within 60 days.
- (d) As to all security deposits collected prior to January 1, 1989, and not disbursed pursuant to subdivision (c), in the event that the mobilehome park is sold or transferred to any other party or entity, the selling park owner shall deposit in escrow an amount equal to all security deposits that the park owner holds. The seller's escrow instructions shall direct that, upon close of escrow, the security deposits therein that were held by the selling park owner (including the period in escrow) for 12 months or more, shall be disbursed to the persons who paid the deposits to the selling park owner and promptly paid, within five days of the date the amount is due, all rent, utilities, and reasonable service charges for the 12-month period preceding the close of escrow.
- (e) Any and all security deposits in escrow that were held by the selling park owner that are not required to be disbursed pursuant to subdivision (b), (c), or (d) shall be disbursed to the successors in interest to the selling or transferring park owner, who shall have the same obligations of the park's management and ownership specified in this section with respect to security deposits. The disbursement may be made in escrow by a debit against the selling park owner and a credit to the successors in interest to the selling park owner.
- (f) The management shall not be required to place any security deposit collected in an interest-bearing account or to provide a homeowner with any interest on the security deposit collected.
- (g) Nothing in this section shall affect the validity of title to real property transferred in violation of this section.

(Amended by Stats. 2001, Ch.151, Sec. 1. ([AB 210](#), Corbett) Effective January 1, 2002.)

(1) The management shall not charge or impose upon a homeowner any fee or increase in rent which reflects the cost to the management of any fine, forfeiture, penalty, money damages, or fee assessed or awarded by a court of law or an enforcement agency against the management for a violation of this chapter or Part 2.1 (commencing with Section [18200](#)) of Division 13 of the Health and Safety Code, including any attorney's fees and costs incurred by the management in connection therewith.

(2) This section shall not apply to violations for which the registered owner of the mobilehome is initially responsible pursuant to subdivision (b) of Section [18420](#) of the Health and Safety Code.

(b) A court shall consider the remoteness in time of the assessment or award against the management of any fine, forfeiture, penalty, money damages, or fee in determining whether the homeowner has met the burden of proof that the fee or increase in rent is in violation of this section.

(c) Any provision in a rental agreement entered into, renewed, or modified on or after January 1, 1995, that permits a fee or increase in rent that reflects the cost to the management of any money damages awarded against the management for a violation of this chapter shall be void.

(Amended by Stats. 2012, Ch. 477, Sec. 2. ([AB 1938](#), Williams) Effective January 1, 2013.)

ARTICLE 4 – UTILITIES**§798.40 UTILITY SERVICE BILLING; RATE SCHEDULE**

- (a) Where management provides both master-meter and submeter service of utilities to a homeowner, for each billing period the cost of the charges for the period shall be separately stated along with the opening and closing readings for the homeowner's meter. Management shall post, in a conspicuous place, the specific current residential utility rate schedule as published by the serving utility or the internet website address of the specific current residential utility rate schedule. If management elects to post the internet website address where the schedule may be accessed, management shall do both of the following:
- (1) Provide a copy of the specific current residential utility rate schedule, upon request, at no cost.
 - (2) State in the posting that a homeowner may request a copy of the rate schedule from management.
- (b) If a third-party billing agent or company prepares utility billing for the park, management shall disclose on each resident's billing, the name, address, and telephone number of the billing agent or company.
- (c) Whenever management elects to separately bill water service to a homeowner as a utility service pursuant to Section [798.41](#), and to provide submetered water service to homeowners as a master-meter customer of the water purveyor, as a part of the regular bill for water service, management shall only bill a homeowner for the following water service:
- (1) A charge for volumetric usage, which may be calculated in any of the following ways:
 - (A) The amount shall be calculated by first determining the proportion of the homeowner's usage, as shown by the submeter, to the total usage as shown by the water purveyor's billing. The dollar amount billed to the homeowner for usage shall be in that same proportion to the dollar amount for usage shown by the water purveyor's billing.
 - (B) If the water purveyor charges for volumetric usage based on a tiered rate schedule, management may calculate the charge for a homeowner's volumetric usage as described in subparagraph (A) or management may instead divide each tier's volume evenly among the number of mobilehome spaces, and the rate applicable to each block shall be applied to the consumption recorded for each mobilehome space.
 - (C) If the water purveyor charges the property rates on a per-mobilehome-space basis, the homeowners may be charged at those exact per-mobilehome-space rates.
 - (D) In no event shall the charge for volumetric usage under this paragraph include in its calculation water used by or for any common area facility in the park, or water used by any other person or entity, other than the homeowner being billed.
 - (2) Any recurring fixed charge, however that charge may be designated, for water service billed to the property by the water purveyors that, at management's discretion, shall be calculated by either of the following:

- (A) The homeowner's proportion of the total fixed charges charged to management for the park's water use. The homeowner's proportion shall be based on the percentage of the homeowner's volumetric water use in relation to the total volumetric water use of the entire park, as shown on management's water bill during that period.
- (B) Dividing the total fixed charges charged to the park equally among the total number of spaces at the park.
- (3) A billing, administrative, or other fee representing the combined total of management's and the billing agent's costs, which shall be the lesser of an amount not to exceed four dollars and seventy-five cents (\$4.75), as adjusted pursuant to this paragraph, or 25 percent of the amount billed pursuant to paragraph (1). Beginning January 1, 2022, the maximum fee authorized by this paragraph may be adjusted each calendar year by management, no higher than a commensurate increase in the Consumer Price Index based on a California fiscal year average for the previous fiscal year, for all urban consumers, as determined by the Department of Finance.
- (d) For the purposes of this section, the following definitions apply:
 - (1) "Billing agent" means a person or entity that contracts to provide submetering services to management, including billing.
 - (2) "Submeter" means a device that measures water consumption of an individual mobilehome space within a park, and that is owned and operated by management.
 - (3) "Water service" includes any charges, whether presented for payment on local water purveyor bills, tax bills, or bills from other entities, related to water treatment, distribution, or usage, including, but not limited to, water, sewer, stormwater, and flood control.
 - (4) "Water purveyor" means a water purveyor as defined in [Section 512](#) of the Water Code.
- (e) Nothing in this section shall be construed to prevent management from recovering its costs to install, maintain, or improve its internal water delivery system, as may otherwise be allowed in any rental agreement or local regulation.
- (f) The provisions of subdivision (c) shall apply to all management that elects to separately bill water service to a homeowner as a utility service pursuant to [Section 798.41](#), and to provide submetered water service to homeowners as a master-meter customer of the water purveyor, as a part of the regular bill for water service, including where the water purveyor or the mobilehome park is subject to the jurisdiction, control, or regulation of the Public Utilities Commission.

(Amended by Stats. 2023, Ch. 807, Sec. 1. ([AB 604](#), Lee) Effective January 1, 2024.)

§798.41 UTILITIES SEPARATELY BILLED – REDUCED FROM RENT

- (a) Where a rental agreement, including a rental agreement specified in Section [798.17](#), does not specifically provide otherwise, the park management may elect to bill a homeowner separately for utility service fees and charges assessed by the utility for services provided to or for spaces in the park. Any separately billed utility fees and charges shall not be deemed to be included in the rent charged for those spaces under the rental agreement, and shall not be deemed to be rent or a rent increase for purposes of any ordinance, rule, regulation, or initiative measure adopted or enforced by any local governmental entity which establishes a maximum amount that a landlord may charge a tenant for rent, provided that at the time of the initial separate billing of any utility fees and charges the rent chargeable under the rental agreement or the base rent chargeable under the terms of a local rent control provision is simultaneously reduced by an amount equal to the fees and charges separately billed. The amount of this reduction shall be equal to the average amount charged to the park management for that utility service for that space during the 12 months immediately preceding notice of the commencement of the separate billing for that utility service.

Utility services to which this section applies are natural gas or liquid propane gas, electricity, water, cable television, garbage or refuse service, and sewer service.

- (b) This section does not apply to rental agreements entered into prior to January 1, 1991, until extended or renewed on or after that date.
- (c) Nothing in this section shall require rental agreements to provide for separate billing to homeowners of fees and charges specified in subdivision (a).
- (d) Those fees and charges specified in subdivision (a) shall be separately stated on any monthly or other periodic billing to the homeowner. If the fee or charge has a limited duration or is amortized for a specified period, the expiration date shall be stated on the initial notice and each subsequent billing to the homeowner while the fee or charge is billed to the homeowner.

(Amended by Stats. 1992, Ch. 338, Sec. 2. (SB 1365, Leslie) Effective January 1, 1993.)

§798.42 NOTICE OF UTILITY INTERRUPTION

- (a) The management shall provide all affected homeowners and residents at least 72 hours' written advance notice of an interruption in utility service of more than two hours for the maintenance, repair, or replacement of facilities of utility systems over which the management has control within the park, provided that the interruption is not due to an emergency. The management shall be liable only for actual damages sustained by a homeowner or resident for violation of this section.
- (b)
- (1) Upon voluntary, written consent of a homeowner or resident, the management may provide notice under this section by electronic communication in a form of electronic communication to which the homeowner or resident consents.
 - (2) For each homeowner or resident not provided notice by electronic communication, the management shall post written notice on the mobilehome of the affected homeowner or resident.

(c) For purposes of this section, the following definitions apply:

- (1) “Electronic communication” means email, text, or automated telephone call.
- (2) “Emergency” means the interruption of utility service resulting from an accident or act of nature, or cessation of service caused by other than the management’s regular or planned maintenance, repair, or replacement of utility facilities.
- (3) “Voluntary, written consent” means written consent obtained separately from, and not contained in, any lease or rental agreement. Voluntary consent may be revoked by the homeowner or resident in writing at any time.

(Amended by Stats. 2024, Ch. 23, Sec. 1. ([AB 661](#), Joe Patterson) Effective January 1, 2025.)

§798.43 DISCLOSURE OF COMMON AREA UTILITY CHARGES

- (a) Except as provided in subdivision (b), whenever a homeowner is responsible for payment of gas, water, or electric utility service, management shall disclose to the homeowner any condition by which a gas, water, or electric meter on the homeowner’s site measures gas, water, or electric service for common area facilities or equipment, including lighting, provided that management has knowledge of the condition.

Management shall disclose this information prior to the inception of the tenancy or upon discovery and shall complete either of the following:

- (1) Enter into a mutual written agreement with the homeowner for compensation by management for the cost of the portion of the service measured by the homeowner’s meter for the common area facilities or equipment to the extent that this cost accrues on or after January 1, 1991.
 - (2) Discontinue using the meter on the homeowner’s site for the utility service to the common area facilities and equipment.
- (b) On and after January 1, 1994, if the electric meter on the homeowner’s site measures electricity for lighting mandated by Section 18602 of the Health and Safety Code and this lighting provides lighting for the homeowner’s site, management shall be required to comply with subdivision (a).

(Amended by Stats. 1993, Ch. 147, Sec. 1. ([AB 1140](#), Epplé) Effective January 1, 1994.)

§798.43.1 CALIFORNIA ALTERNATE RATES FOR ENERGY PROGRAM (CARE)

- (a) The management of a master-meter park shall give written notice to homeowners and residents on or before February 1 of each year in their utility billing statements about assistance to low-income persons for utility costs available under the California Alternate Rates for Energy (CARE) program, established pursuant to Section [739.1](#) of the Public Utilities Code. The notice shall include CARE information available to master-meter customers from their serving utility, to include, at a minimum: (1) the fact that CARE offers a discount on monthly gas or electric bills for qualifying low-income residents; and (2) the telephone number of the serving utility which provides CARE information and applications. The park shall also post the notice in a conspicuous place in the clubhouse, or if there is no clubhouse, in a conspicuous public place in the park.

- (b) The management of a master-meter park may accept and help process CARE program applications from homeowners and residents in the park, fill in the necessary account or other park information required by the serving utility to process the applications, and send the applications to the serving utility. The management shall not deny a homeowner or resident who chooses to submit a CARE application to the utility himself or herself any park information, including a utility account number, the serving utility requires to process a homeowner or resident CARE program application.
- (c) The management of a master-meter park shall pass through the full amount of the CARE program discount in monthly utility billings to homeowners and residents who have qualified for the CARE rate schedule, as defined in the serving utility's applicable rate schedule. The management shall notice the discount on the billing statement of any homeowner or resident who has qualified for the CARE rate schedule as either the itemized amount of the discount or a notation on the statement that the homeowner or resident is receiving the CARE discount on the electric bill, the gas bill, or both the electric and gas bills.
- (d) "Master-meter park" as used in this section means "master-meter customer" as used in Section [739.5](#) of the Public Utilities Code.

(Amended by Stats. 2001, Ch. 437, Sec. 1. ([SB 920](#), Dunn) Effective January 1, 2002.)

- (a) The management of a park that does not permit mobilehome owners or park residents to purchase liquefied petroleum gas for use in the mobilehome park from someone other than the mobilehome park management shall not sell liquefied petroleum gas to mobilehome owners and residents within the park at a cost which exceeds 110 percent of the actual price paid by the management of the park for liquefied petroleum gas.
- (b) The management of a park shall post in a visible location the actual price paid by management for liquefied petroleum gas sold pursuant to subdivision (a).
- (c) This section shall apply only to mobilehome parks regulated under the Mobilehome Residency Law. This section shall not apply to recreational vehicle parks, as defined in Section [18215.5](#) of the Health and Safety Code, which exclusively serve recreational vehicles, as defined in Section [18010](#) of the Health and Safety Code.
- (d) Nothing in this section is intended to abrogate any rights a mobilehome park owner may have under Section [798.31](#) of the Civil Code.
- (e) In addition to a mobilehome park described in subdivision (a), the requirements of subdivisions (a) and (b) shall apply to a mobilehome park where requirements of federal, state, or local law or regulation, including, but not limited to, requirements for setbacks between mobilehomes, prohibit homeowners or residents from installing their own liquefied petroleum gas supply tanks, notwithstanding that the management of the mobilehome park permits mobilehome owners and park residents to buy their own liquefied petroleum gas.

(Amended by Stats. 2009, Ch. 558, Sec. 7. ([SB 111](#), Correa) Effective January 1, 2010.)

§798.44.1 SOLAR ENERGY SYSTEMS

- (a) Any covenant, restriction, or condition contained in any rental agreement or other instrument affecting the tenancy of a homeowner or resident in a mobilehome park that effectively prohibits or restricts the installation or use of a solar energy system on the mobilehome or the site, lot, or space on which the mobilehome is located is void and unenforceable.
- (b) Management shall not prohibit or restrict a homeowner or resident from installing or using a solar energy system on a mobilehome or the site, lot, or space on which the mobilehome is located. Management shall not do any of the following:

 - (2) Require a homeowner or resident to use a specific solar installation contractor or solar energy system or product.
 - (3) Claim or receive any rebate, credit, or commission in connection with a homeowner's or resident's installation or use of a solar energy system.
- (c) This section does not apply to imposition of reasonable restrictions on solar energy systems. However, it is the policy of the state to promote and encourage the use of solar energy systems and to remove obstacles thereto. Accordingly, reasonable restrictions on a solar energy system are those restrictions that do not significantly increase the cost of the system or significantly decrease its efficiency or specified performance, or that allow for an alternative system of comparable cost, efficiency, and energy conservation benefits.
- (d)
 - (1) For purposes of this section, "solar energy system" has the same meaning as defined in paragraphs (1) and (2) of subdivision (a) of Section 801.5.
 - (2) A solar energy system shall meet applicable health and safety standards and requirements imposed by state and local permitting authorities, consistent with Section 65850.5 of the Government Code.
 - (3) Solar energy systems and solar collectors used for heating water shall be certified by an accredited listing agency as defined in the California Plumbing and Mechanical Codes.

- (b)
 - (1) Subject to paragraph (2), management shall not prohibit or restrict a homeowner or resident from installing, upgrading, replacing, or using a cooling system in their mobilehome. Management shall not do any of the following:
 - (A) Charge any fee to a homeowner or resident in connection with the installation, upgrade, replacement, or use of a cooling system.
 - (B) Require a homeowner or resident to use a specific cooling system, type of cooling system, or cooling system contractor or product.
 - (C) Claim or receive any rebate, credit, or commission in connection with a homeowner's or resident's installation, upgrade, replacement, or use of a cooling system.
 - (D) Require homeowners or residents to remove cooling systems or prevent replacements or upgrades to existing cooling systems.
 - (2) Paragraph (1) shall not apply if management establishes any of the following:
 - (A) The installation, upgrade, replacement, or use of the cooling system would violate federal, state, or local law.
 - (B) A permit from a designated permitting authority is required for the installation, upgrade, replacement, or use of the cooling system, and that permit is not granted.
 - (C) The amperage required to power any individual cooling system cannot be accommodated by the power service to the lot, as demonstrated in writing by a federal, state, or local governmental enforcement authority.
- (c) For purposes of this section, "cooling system" may include, but is not limited to, a portable air-conditioning unit, a window air-conditioning unit, a swamp cooler or any evaporative cooler, a cooling fan system, a heat pump, or any other technology that reasonably creates an internal temperature cooling benefit. A cooling system shall meet applicable health and safety standards and requirements imposed by law.
- (d) The tenancy of a homeowner or resident shall not be terminated for the installation, upgrade, replacement, or use of a cooling system as permitted under this section.

(Added by Stats. 2025, Ch. 343, Sec. 1. ([AB 806](#), Connolly) Effective January 1, 2026.)

ARTICLE 4.5 – RENT CONTROL**§798.45 NEW CONSTRUCTION EXEMPT**

- (a) Notwithstanding Section [798.17](#), “new construction,” as defined in subdivision (a) of Section [798.7](#), shall be exempt from any ordinance, rule, regulation, or initiative measure adopted by any city, county, or city and county, that establishes a maximum amount that a landlord may charge a tenant for rent, for a period of 15 years from the date upon which the space is initially held out for rent, as defined in subdivision (a) of Section [798.7](#).
- (b) Notwithstanding Section [798.17](#), “new mobilehome park construction,” as defined in subdivision (b) of Section [798.7](#), shall be exempt from any ordinance, rule, regulation, or initiative measure adopted by any city, county, or city and county, that establishes a maximum amount that a landlord may charge a tenant for rent for a period of 15 years from the date upon which 50 percent of the spaces in the new mobilehome park are initially held out for rent measured from the date of issuance of a permit or certificate of occupancy for that space by the enforcement agency in accordance with Section [18551](#) or [18613](#) of the Health and Safety Code.

 - (3) The amount of any fee, assessment or other charge upon the space first imposed or increased on or after January 1, 1993, pursuant to any state or locally mandated program relating to housing contained in the Health and Safety Code.
- (b) If management has charged the homeowner for a fee, assessment, or other charge specified in subdivision (a) that was increased or first imposed on or after January 1, 1993, and the fee, assessment, or other charge is decreased or eliminated thereafter, the charge to the homeowner shall be decreased or eliminated accordingly.
- (c) The amount of the fee, assessment or other charges authorized by subdivision (a) shall be separately stated on any billing to the homeowner. Any change in the amount of the fee, assessment, or other charges that are separately billed pursuant to subdivision (a) shall be considered when determining any rental adjustment under the local ordinance.

- (1) Those fees, assessments, or charges imposed pursuant to the Mobilehome Parks Act (Part 2.1 (commencing with Section [18200](#)) of Division 13 of the Health and Safety Code), unless specifically authorized by Section [18502](#) of the Health and Safety Code.

(Amended by Stats. 2012, Ch. 770, Sec. 1. ([AB 2697](#), Committee on Housing and Community Development) Effective January 1, 2013.)

ARTICLE 5 – HOMEOWNER COMMUNICATIONS AND MEETINGS**§798.50 LEGISLATIVE INTENT**

It is the intent of the Legislature in enacting this article to ensure that homeowners and residents of mobilehome parks have the right to peacefully assemble and freely communicate with one another and with others with respect to mobilehome living or for social or educational purposes.

(Repealed and added by Stats. 1989, Ch. 198, Sec. 2. (SB 175, Craven) Effective January 1, 1990.)

§798.51 RIGHT TO ASSEMBLE, MEET, CANVASS, PETITION, INVITE SPEAKERS

- (a) No provision contained in any mobilehome park rental agreement, rule, or regulation shall deny or prohibit the right of any homeowner or resident in the park to do any of the following:
- (1) Peacefully assemble or meet in the park, at reasonable hours and in a reasonable manner, for any lawful purpose. Meetings may be held in the park community or recreation hall or clubhouse when the facility is not otherwise in use, and, with the consent of the homeowner, in any mobilehome within the park.

- (c) A homeowner or resident may not be required to obtain liability insurance in order to use common area facilities for the purposes specified in this section and Section [798.50](#). However, if alcoholic beverages are to be served at any meeting or private function, a liability insurance binder may be required by the park ownership or management. The size of the face of a political sign may not exceed six square feet, and the sign may not be displayed in excess of a period of time from 90 days prior to an election to 15 days following the election, unless a local ordinance within the jurisdiction where the mobilehome park is located imposes a more restrictive period of time for the display of such a sign.

(Amended by Stats. 2003, Ch. 249, Sec. 1. ([SB 116](#), Dunn) Effective January 1, 2004.)

The following intent language appears in Section 4 of [SB 116](#) (Chapter 249) but not in this code:

“It is the intent of the Legislature that enactment of this bill not affect any other form of political expression by a homeowner or resident of a mobilehome park where that expression is not associated with an election or political campaign.”

§798.52 INJUNCTIVE ACTION TO ENFORCE RIGHTS

Any homeowner or resident who is prevented by management from exercising the rights provided for in Section [798.51](#) may bring an action in a court of law to enjoin enforcement of any rule, regulation, or other policy which unreasonably deprives a homeowner or resident of those rights.

(Added by Stats. 1989, Ch. 198, Sec. 2. (SB 175, Craven) Effective January 1, 1990.)

ARTICLE 5.5 – HOMEOWNERS MEETINGS WITH MANAGEMENT**§798.53 MANAGEMENT MEETINGS WITH RESIDENTS**

(b) A collective meeting with a group of homeowners shall be conducted only after notice thereof has been given to all the requesting homeowners 10 days or more before the meeting.

(c) If an individual homeowner or group of homeowners consents to be represented at a meeting, management shall meet with either the designated representative on their behalf, or with both the homeowners and the designated representative, as the homeowners may choose in the written request. If requested by an individual homeowner or group of homeowners, a designated representative may participate in a meeting in person, by telephone, or virtually if management allows audio-video conferencing options pursuant to paragraph (2) of subdivision (a).

ARTICLE 6 – TERMINATION OF TENANCY**§798.55 LEGISLATIVE INTENT; TERMINATION FOR CAUSE; 60-DAY NOTICE**

- (a) The Legislature finds and declares that, because of the high cost of moving mobilehomes, the potential for damage resulting therefrom, the requirements relating to the installation of mobilehomes, and the cost of landscaping or lot preparation, it is necessary that the owners of mobilehomes occupied within mobilehome parks be provided with the unique protection from actual or constructive eviction afforded by the provisions of this chapter.
- (b)
- (1) The management may not terminate or refuse to renew a tenancy, except for a reason specified in this article and upon the giving of written notice to the homeowner, in the manner prescribed by Section [1162](#) of the Code of Civil Procedure, to sell or remove, at the homeowner's election, the mobilehome from the park within a period of not less than 60 days, which period shall be specified in the notice. A copy of this notice shall be sent to the legal owner, as defined in Section [18005.8](#) of the Health and Safety Code, each junior lienholder, as defined in Section [18005.3](#) of the Health and Safety Code, and the registered owner of the mobilehome, if other than the homeowner, by United States mail within 10 days after notice to the homeowner. The copy may be sent by regular mail or by certified or registered mail with return receipt requested, at the option of the management.
 - (2) The homeowner shall pay past due rent and utilities upon the sale of a mobilehome pursuant to paragraph (1).
- (c) If the homeowner has not paid the rent due within three days after notice to the homeowner, and if the first notice was not sent by certified or registered mail with return receipt requested, a copy of the notice shall again be sent to the legal owner, each junior lienholder, and the registered owner, if other than the homeowner, by certified or registered mail with return receipt requested within 10 days after notice to the homeowner. Copies of the notice shall be addressed to the legal owner, each junior lienholder, and the registered owner at their addresses, as set forth in the registration card specified in Section [18091.5](#) of the Health and Safety Code.
- (d) If management obtains a court judgment against a homeowner or resident, the cost incurred by management in obtaining a title search for the purpose of complying with the notice requirements of this section shall be recoverable as a cost of suit.
- (e) The resident of a mobilehome that remains in the mobilehome park after service of the notice to sell or remove the mobilehome shall continue to be subject to this chapter and the rules and regulations of the park, including rules regarding maintenance of the space.
- (f) No lawful act by the management to enforce this chapter or the rules and regulations of the park may be deemed or construed to waive or otherwise affect the notice to remove the mobilehome.

(Amended by Stats. 2005, Ch. 24, Sec. 2. ([SB 125](#), Dutton) Effective January 1, 2006.)

The following intent language appears in Section 4 of [AB 682](#) (Ch. 561, Stat. 2003) but not in this code:

"This act is not intended to affect park management's existing rights and remedies to recover unpaid rent, utility charges, or reasonable incidental charges, and may not be construed to provide for an exclusive remedy."

§798.56 SEVEN AUTHORIZED REASONS FOR TERMINATION OF TENANCY

(a) A tenancy shall be terminated by the management only for one or more of the following reasons:

- (1) Failure of the homeowner or resident to comply with a local ordinance or state law or regulation relating to mobilehomes within a reasonable time after the homeowner receives a notice of noncompliance from the appropriate governmental agency.
- (2) Conduct by the homeowner or resident, upon the park premises, that constitutes a substantial annoyance to other homeowners or residents.
- (3)
 - (A) Conviction of the homeowner or resident for prostitution, for a violation of subdivision (d) of Section [243](#), paragraph (2) of subdivision (a), or subdivision (b), of Section [245](#), Section [288](#), or Section [451](#), of the Penal Code, or a felony controlled substance offense, if the act resulting in the conviction was committed anywhere on the premises of the mobilehome park, including, but not limited to, within the homeowner's mobilehome.
 - (B) However, the tenancy shall not be terminated for the reason specified in this paragraph if the person convicted of the offense has permanently vacated, and does not subsequently reoccupy, the mobilehome.
- (4) Failure of the homeowner or resident to comply with a reasonable rule or regulation of the park that is part of the rental agreement or any amendment thereto.

No act or omission of the homeowner or resident shall constitute a failure to comply with a reasonable rule or regulation unless and until the management has given the homeowner written notice of the alleged rule or regulation violation and the homeowner or resident has failed to adhere to the rule or regulation within seven days. However, if a homeowner has been given a written notice of an alleged violation of the same rule or regulation on three or more occasions within a 12-month period after the homeowner or resident has violated that rule or regulation, no written notice shall be required for a subsequent violation of the same rule or regulation.

This paragraph does not relieve the management from its obligation to demonstrate that a rule or regulation has in fact been violated.

- (5)
 - (A) Nonpayment of rent, utility charges, or reasonable incidental service charges; provided that the amount due has been unpaid for a period of at least five days from its due date, and provided that the homeowner shall be given a three-day written notice subsequent to that five-day period to pay the amount due or to vacate the tenancy. For purposes of this paragraph, the five-day period does not include the date the payment is due. The three-day written notice shall be given to the homeowner in the manner prescribed by Section [1162](#) of the Code of Civil Procedure. A copy of this notice shall be sent to the persons or entities specified in subdivision (b) of Section [798.55](#) within 10 days after notice is delivered to the homeowner. If the homeowner cures the default, the notice need not be sent. The notice may be given at the same time as the 60 days' notice required for termination of the tenancy. A three-day notice given pursuant to this paragraph

shall contain the following provisions printed in at least 12-point boldface type at the top of the notice, with the appropriate number written in the blank:

- (b) A legal owner, if any, or junior lienholder, if any, may sell the mobilehome within the park to a third party and keep the mobilehome on the site within the mobilehome park until it is resold only if all of the following requirements are met:
- (1) The legal owner, if any, or junior lienholder, if any, notifies management in writing of the intention to exercise either option described in paragraph (2) or (3) of subdivision (a) within 60 days following receipt of, or no later than 65 days after the mailing of, the notice of termination of tenancy and satisfies all of the responsibilities and liabilities of the homeowner owing to the management for the 90 days preceding the mailing of the notice of termination of tenancy and then continues to satisfy these responsibilities and liabilities as they accrue from the date of the mailing of that notice until the date the mobilehome is resold.
 - (2) Within 60 days following receipt of, or no later than 65 days after the mailing of, the notice of termination of tenancy, the legal owner or junior lienholder commences all

In this case, notwithstanding any other provision of law, the management shall have a warehouse lien in accordance with Section [7209](#) of the Commercial Code against the mobilehome for the costs of dismantling and moving, if appropriate, as well as storage, that shall be superior to all other liens, except the lien provided for in Section [18116.1](#) of the Health and Safety Code, and may enforce the lien pursuant to Section [7210](#) of the Commercial Code either after the date of judgment in an unlawful detainer action or after the date the mobilehome is physically vacated by the resident, whichever occurs earlier. Upon completion of any sale to enforce the warehouse lien in accordance with Section [7210](#) of the Commercial Code, the management shall provide the purchaser at the sale with evidence of the sale, as shall be specified by the Department of Housing and Community Development, that shall, upon proper request by the purchaser of the mobilehome, register title to the mobilehome to this purchaser, whether or not there existed a legal owner or junior lienholder on this title to the mobilehome.
 - (2)
 - (A) Notwithstanding any other law, if the management of a mobilehome park acquires a mobilehome after enforcing the warehouse lien and files a notice of disposal pursuant to subparagraph (B) with the Department of Housing and Community Development to designate the mobilehome for disposal, management or any other person enforcing this warehouse lien shall not be required to pay past or current vehicle license fees required by Section [18115](#) of the Health and Safety Code or obtain a tax clearance

certificate, as set forth in Section [5832](#) of the Revenue and Taxation Code, provided that management notifies the county tax collector in the county in which the mobilehome is located of management's intent to apply to have the mobilehome designated for disposal after a warehouse lien sale. The written notice shall be sent to the county tax collector no less than 30 days after the date of the sale to enforce the lien against the mobilehome by first class mail, postage prepaid.

(B)

- (i) In order to dispose of a mobilehome after a warehouse lien sale, the management shall file a notice of disposal with the Department of Housing and Community Development in the form and manner as prescribed by the department, no less than 30 days after the date of sale to enforce the lien against the mobilehome.
- (ii) After filing a notice of disposal pursuant to clause (i), the management may dispose of the mobilehome after obtaining the information required by applicable laws.

(C)

- (i) Within 30 days of the date of the disposal of the mobilehome, the management shall submit to the Department of Housing and Community Development all of the following information required for completing the disposal process:
 - (I) Photographs identifying and demonstrating that the mobilehome was uninhabitable by the removal or destruction of all appliances and fixtures such as ovens, stoves, bathroom fixtures, and heating or cooling appliances prior to its being moved.
 - (II) A statement of facts as to the condition of the mobilehome when moved, the date it was moved, and the anticipated site of further dismantling or disposal.

- (f) All written notices required by this section, except the notice in paragraph (2) of subdivision (e), shall be sent to the other party by certified or registered mail with return receipt requested.
- (g) Satisfaction, pursuant to this section, of the homeowner's accrued or accruing responsibilities and liabilities shall not cure the default of the homeowner.

§798.61 ABANDONED MOBILEHOMES – PROCEDURES

(a)

(1) As used in this section, "abandoned mobilehome" means a mobilehome about which all of the following are true:

- (A) It is located in a mobilehome park on a site for which no rent has been paid to the management for the preceding 60 days.
- (B) It is unoccupied.
- (C) A reasonable person would believe it to be abandoned.
- (D) It is not permanently affixed to the land.

(2) As used in this section:

- (A) "Mobilehome" shall include a trailer coach, as defined in Section [635](#) of the Vehicle Code, or a recreational vehicle, as defined in Section [18010](#) of the Health and Safety Code, if the trailer coach or recreational vehicle also satisfies the requirements of paragraph (1), including being located on any site within a mobilehome park, even if

the site is in a separate designated section pursuant to Section [18215.5](#) of the Health and Safety Code.

- (B) “Abandoned mobilehome” shall include a mobilehome that is uninhabitable because of its total or partial destruction that cannot be rehabilitated, if the mobilehome also satisfies the requirements of paragraph (1).
 - (C) “Dispose” or “disposal” shall mean the removal and destruction of an abandoned mobilehome from a mobilehome park, thus making it unusable for any purpose and not subject to, or eligible for, use in the future as a mobilehome.
- (b) After determining a mobilehome in a mobilehome park to be an abandoned mobilehome, the management shall post a notice of belief of abandonment on the mobilehome for not less than 30 days, and shall deposit copies of the notice in the United States mail, postage prepaid, addressed to the homeowner at the last known address and to any known registered owner, if different from the homeowner, and to any known holder of a security interest in the abandoned mobilehome. This notice shall be mailed by registered or certified mail with a return receipt requested.
- (c)
- (1) Thirty or more days following posting pursuant to subdivision (b), the management may file a petition in the superior court in the county in which the mobilehome park is located, for a judicial declaration of abandonment of the mobilehome. A proceeding under this subdivision is a limited civil case. Copies of the petition shall be served upon the homeowner, any known registered owner, and any known person having a lien or security interest of record in the mobilehome by posting a copy on the mobilehome and mailing copies to those persons at their last known addresses by registered or certified mail with a return receipt requested in the United States mail, postage prepaid.
 - (2) To dispose of an abandoned mobilehome pursuant to subdivision (f), the management shall also do all of the following:
 - (A) Declare in the petition that the management will dispose of the abandoned mobilehome, and therefore will not seek a tax clearance certificate as set forth in Section [5832](#) of the Revenue and Taxation Code.
 - (B) Declare in the petition whether the management intends to sell the contents of the abandoned mobilehome before its disposal.
 - (C) Notify the county tax collector in the county in which the mobilehome park is located of the declaration that management will dispose of the abandoned mobilehome by sending a copy of the petition by first class mail.
 - (D) Declare in the petition that management intends to file a notice of disposal with the Department of Housing and Community Development and complete the disposal process consistent with the requirements of subdivision (f).
- (d)
- (1) Hearing on the petition shall be given precedence over other matters on the court’s calendar.
 - (2) If, at the hearing, the petitioner shows by a preponderance of the evidence that the criteria for an abandoned mobilehome has been satisfied and no party establishes an interest therein at the hearing and tenders all past due rent and other charges, the court shall enter

a judgment of abandonment, determine the amount of charges to which the petitioner is entitled, and award attorney's fees and costs to the petitioner. For purposes of this subdivision, an interest in the mobilehome shall be established by evidence of a right to possession of the mobilehome or a security or ownership interest in the mobilehome.

- (3) A default may be entered by the court clerk upon request of the petitioner, and a default judgment shall be thereupon entered, if no responsive pleading is filed within 15 days after service of the petition by mail.

The management shall also provide notice to the county tax collector in the county in which the mobilehome park is located.
 - (C) At any time prior to the sale of an abandoned mobilehome or its contents under this section, any person having a right to possession of the abandoned mobilehome may recover and remove it from the premises upon payment to the management of all rent or other charges due, including reasonable costs of storage and other costs awarded by the court. Upon receipt of this payment and removal of the abandoned mobilehome from the premises pursuant to this paragraph, the management shall immediately file an acknowledgment of satisfaction of judgment pursuant to Section [724.030](#) of the Code of Civil Procedure.
 - (2) Following the judgment of abandonment, but not less than 10 days following the notice of sale specified in paragraph (1), the management may conduct a public sale of the abandoned mobilehome, its contents, or both. The management may bid at the sale and shall have the right to offset its bids to the extent of the total amount due it under this section. The proceeds of the sale shall be retained by the management, but any unclaimed amount thus retained over and above the amount to which the management is entitled under this section shall be deemed abandoned property and shall be paid into the treasury of the county in which the sale took place within 30 days of the date of the sale. The former homeowner or any other owner may claim any or all of that unclaimed amount within one year from the date of payment to the county by making application to the county treasurer or other official designated by the county. If the county pays any or all of that unclaimed amount to a claimant, neither the county nor any officer or employee of the county is liable to any other claimant as to the amount paid.
 - (3) Within 30 days of the date of the sale, the management shall submit to the court an accounting of the moneys received from the sale and the disposition of the money and the items contained in the inventory submitted to the court pursuant to paragraph (1).

- (4) The management shall provide the purchaser at the sale of an abandoned mobilehome with a copy of the judgment of abandonment and evidence of the sale, as shall be specified by the Department of Housing and Community Development, which shall register title in the abandoned mobilehome to the purchaser upon presentation thereof within 20 days of purchase. The sale shall pass title to the purchaser free of any prior interest, including any security interest or lien, except the lien provided for in Section [18116.1](#) of the Health and Safety Code, in the abandoned mobilehome.
- (f) To dispose of an abandoned mobilehome, the management shall do all of the following:
- (1)
- (A) Within 10 days following a judgment of abandonment, the management shall enter the abandoned mobilehome and complete an inventory of the contents and submit the inventory to the court.

The management shall also provide notice to the county tax collector in the county in which the mobilehome park is located.
- (C)
- (i) Within 30 days following a judgment of abandonment, the management shall file a notice of disposal with the Department of Housing and Community Development in the form and manner as prescribed by the department.
- (ii) Notwithstanding any other law, when filing a notice of disposal pursuant to clause (i), the management shall not be required to pay past or current vehicle license fees required by Section [18115](#) of the Health and Safety Code or obtain a tax clearance certificated as set forth in Section [5832](#) of the Revenue and Taxation Code, provided that the management notifies the county tax collector in the county in which the mobilehome is located of the management's intent to apply to have the mobilehome designated for disposal pursuant to this subdivision. The written notice shall be sent to the county tax collector no less than 10 days after the date of the abandonment judgment by first class mail, postage prepaid.
- (D) At any time prior to the disposal of an abandoned mobilehome or its contents under this section, any person having a right to possession of the abandoned mobilehome may recover and remove it from the premises upon payment to the management of all rent or other charges due, including reasonable costs of storage and other costs awarded by the court. Upon receipt of this payment and removal of the abandoned mobilehome from the premises pursuant to this subparagraph, the management shall immediately file an acknowledgment of satisfaction of judgment pursuant to Section [724.030](#) of the Code of Civil Procedure and a cancellation of the notice of disposal with the Department of Housing and Community Development.

- (2) Following the judgment of abandonment and approval of the notice of disposal by the Department of Housing and Community Development, but not less than 10 days following the notice of disposal specified in paragraph (1), the management may dispose of the abandoned mobilehome after obtaining the information required in subparagraph (A) of paragraph (3).
- (3)
- (A) Within 30 days of the date of the disposal of an abandoned mobilehome and its contents, the management shall do both of the following:
- (i) Submit to the court and the county tax collector in the county in which the mobilehome park is located a statement that the abandoned mobilehome and its contents were disposed with supporting documentation.
 - (ii)
 - (I) Submit to the Department of Housing and Community Development all of the following information required for completing the disposal process:
 - (ia) Photographs identifying and demonstrating that the mobilehome was uninhabitable by the removal or destruction of all appliances and fixtures such as ovens, stoves, bathroom fixtures, and heating or cooling appliances prior to its being moved.

§798.62 BUILDING AFTER A WILD FIRE OR NATURAL DISASTER

- (a) If a mobilehome park is destroyed as a result of a wildfire or other natural disaster, and management elects to rebuild the park at the same location, management shall offer a renewed tenancy in the rebuilt mobilehome park to all previous homeowners in accordance with the following:
- (1) The offer of renewed tenancy shall be on substantially the same terms as the previous homeowner's rental agreement that was in existence at the time of the wildfire or other natural disaster. However, management may adjust terms in the previous rental agreement to reflect costs and expenses to rebuild the park that were incurred from the time of the disaster until management received a final certificate of occupancy for all spaces in the park. These costs and expenses may include, but are not limited to, costs associated with demolition, reconstruction, and environmental remediation, as well as taxes and interest expenses.
 - (2) Management shall provide the previous homeowner, upon request, a statement listing the costs and expenses incurred in rebuilding the park and how the costs and expenses relate to the adjustment of terms in the rental agreement.
 - (3) The offer shall include an application to accept the renewed tenancy, the terms of the renewed tenancy, the deposit required to secure the renewed tenancy, and a clear statement of when the offer expires.
 - (4) Management shall send each previous homeowner the offer by certified mail, at least 240 days before the park is reopened, to the last postal address for the previous homeowner known to management, which may be the previous homeowner's former address within the park. If management has an email address or telephone number for the previous homeowner, management shall additionally attempt to notify the homeowner of the offer by those means.
 - (5) A previous homeowner may accept the offer by submitting, within 60 days from the date the homeowner receives the offer, the application and required deposit to secure the renewed tenancy to management and sign a rental agreement. If the previous homeowner fails to accept the offer within this time period, then the previous homeowner's right to a renewed tenancy under this section is deemed forfeited.
 - (6) Management shall process applications for renewed tenancy on a first-come-first-served basis.
 - (7) The previous homeowner shall not transfer the right to a renewed tenancy.
- (b) For purposes of this section, "previous homeowner" means a homeowner with a valid tenancy in a mobilehome park at the time of a wildfire or other natural disaster.

ARTICLE 7 – TRANSFER OF MOBILEHOME OR MOBILEHOME PARK**§798.70 “FOR SALE” SIGNS**

- (a) A homeowner, an heir, joint tenant, or personal representative of the estate who gains ownership of a mobilehome in the mobilehome park through the death of the owner of the mobilehome who was a homeowner at the time of his or her death, or the agent of any such person, may advertise the sale or exchange of his or her mobilehome, or, if not prohibited by the terms of an agreement with the management, may advertise the rental of his or her mobilehome, by displaying one sign in the window of the mobilehome, or by one sign posted on the side of the mobilehome facing the street, or by one sign in front of the mobilehome facing the street, stating that the mobilehome is for sale or exchange or, if not prohibited, for rent by the owner of the mobilehome or his or her agent. Any such person also may display one sign conforming to these requirements indicating that the mobilehome is on display for an “open house,” if allowed by the park. The park may allow open houses and may establish reasonable rules or regulations governing how an open house may be conducted, including rules regarding the number of houses allowed to be open at one time, hours, and parking. The sign shall state the name, address, and telephone number of the owner of the mobilehome or his or her agent and the sign face shall not exceed 24 inches in width and 36 inches in height. Signs posted in front of a mobilehome pursuant to this section may be of an H-frame, A-frame, L-frame, or generally accepted yard-arm type design with the sign face perpendicular to, but not extending into, the street. Management may require the use of a step-in L-frame sign. Homeowners may attach to the sign or their mobilehome tubes or holders for leaflets that provide information on the mobilehome for sale, exchange, or rent.
- (b) This section shall become operative on July 1, 2016.

(Repealed (in Sec. 1) and added by Stats. 2015, Ch. 288, Sec. 2. ([SB 419](#), McGuire) Effective January 1, 2016. Section operative July 1, 2016, by its own provisions.)

§798.71 MANAGEMENT SHOWING OR LISTING – PROHIBITIONS

- (a)
- (1) The management may not show or list for sale a manufactured home or mobilehome without first obtaining the owner’s written authorization. The authorization shall specify the terms and conditions regarding the showing or listing.
 - (2) Management may require that a homeowner advise management in writing that his or her manufactured home or mobilehome is for sale. If management requires that a homeowner advise management in writing that his or her manufactured home or mobilehome is for sale, failure to comply with this requirement does not invalidate a transfer.
- (b) The management shall prohibit neither the listing nor the sale of a manufactured home or mobilehome within the park by the homeowner, an heir, joint tenant, or personal representative of the estate who gains ownership of a manufactured home or mobilehome in the mobilehome park through the death of the owner of the manufactured home or mobilehome who was a homeowner at the time of his or her death, or the agent of any such person other than the management. For purposes of this section, “listing” includes advertising the address of the home to the general public.

- (c) The management shall not require the selling homeowner, or an heir, joint tenant, or personal representative of the estate who gains ownership of a manufactured home or mobilehome in the mobilehome park through the death of the owner of the manufactured home or mobilehome who was a homeowner at the time of his or her death, to authorize the management or any other specified broker, dealer, or person to act as the agent in the sale of a manufactured home or mobilehome as a condition of resale of the home in the park or of management's approval of the buyer or prospective homeowner for residency in the park.
- (d) The management shall not require a homeowner, who is replacing a mobilehome or manufactured home on a space in the park, in which he or she resides, to use a specific broker, dealer, or other person as an agent in the purchase of or installation of the replacement home.
- (e) Nothing in this section shall be construed as affecting the provisions of the Health and Safety Code governing the licensing of manufactured home or mobilehome salespersons or dealers.
- (f) This section shall become operative on July 1, 2016.

(Repealed (in Sec. 3) and added by Stats. 2015, Ch. 288, Sec. 4. ([SB 419](#), McGuire) Effective January 1, 2016. Section operative July 1, 2016, by its own provisions.)

§798.72 NO TRANSFER OR SELLING FEE

- (a) The management shall not charge a homeowner, an heir, joint tenant, or personal representative of the estate who gains ownership of a mobilehome in the mobilehome park through the death of the owner of the mobilehome who was a homeowner at the time of his or her death, or the agent of any such person a transfer or selling fee as a condition of a sale of his mobilehome within a park unless the management performs a service in the sale. The management shall not perform any such service in connection with the sale unless so requested, in writing, by the homeowner, an heir, joint tenant, or personal representative of the estate who gains ownership of a mobilehome in the mobilehome park through the death of the owner of the mobilehome who was a homeowner at the time of his or her death, or the agent of any such person.
- (b) The management shall not charge a prospective homeowner or his or her agent, upon purchase of a mobilehome, a fee as a condition of approval for residency in a park unless the management performs a specific service in the sale. The management shall not impose a fee, other than for a credit check in accordance with subdivision (b) of Section [798.74](#), for an interview of a prospective homeowner.

(Amended by Stats. 1989, Ch. 745, Sec. 3. (AB 1914, N. Waters) Effective January 1, 1990.)

§798.73 REMOVAL OF MOBILEHOME UPON SALE TO THIRD PARTY

The management shall not require the removal of a mobilehome from the park in the event of the sale of the mobilehome to a third party during the term of the homeowner's rental agreement or in the 60 days following the initial notice required by paragraph (1) of subdivision (b) of Section [798.55](#). However, in the event of a sale to a third party, in order to upgrade the quality of the park, the management may require that a mobilehome be removed from the park where:

- (a) It is not a "mobilehome" within the meaning of Section [798.3](#).

- (b) It is more than 20 years old, or more than 25 years old if manufactured after September 15, 1971, and is 20 feet wide or more, and the mobilehome does not comply with the health and safety standards provided in Sections [18550](#), [18552](#), and [18605](#) of the Health and Safety Code and the regulations established thereunder, as determined following an inspection by the appropriate enforcement agency, as defined in Section [18207](#) of the Health and Safety Code.
- (c) The mobilehome is more than 17 years old, or more than 25 years old if manufactured after September 15, 1971, and is less than 20 feet wide, and the mobilehome does not comply with the construction and safety standards under Sections [18550](#), [18552](#), and [18605](#) of the Health and Safety Code and the regulations established thereunder, as determined following an inspection by the appropriate enforcement agency, as defined in Section [18207](#) of the Health and Safety Code.
- (d) It is in a significantly rundown condition or in disrepair, as determined by the general condition of the mobilehome and its acceptability to the health and safety of the occupants and to the public, exclusive of its age. The management shall use reasonable discretion in determining the general condition of the mobilehome and its accessory structures. The management shall bear the burden of demonstrating that the mobilehome is in a significantly rundown condition or in disrepair. The management of the park may not require repairs or improvements to the park space or property owned by the management, except for damage caused by the actions or negligence of the homeowner or an agent of the homeowner.
- (e) The management shall not require a mobilehome to be removed from the park, pursuant to this section, unless the management has provided to the homeowner notice particularly specifying the condition that permits the removal of the mobilehome.

(Amended by Stats. 2008, Ch. 179, Sec. 28. ([SB 1498](#), Committee on Judiciary) Effective January 1, 2009.)

The following intent language appears in Section 3 of [AB 682](#) (Ch. 561, Stat. 2004) but not in this code:

“This act is not intended to provide the purchaser of a mobilehome a right to a tenancy in a mobilehome park when the selling tenant has had his or her tenancy terminated pursuant to subdivision (f) or (g) of Section [798.56](#) of the Civil Code.”

The following intent language appears in Section 4 of [AB 682](#) (Ch. 561, Stat. 2004) but not in this code:

“This act is not intended to affect park management’s existing rights and remedies to recover unpaid rent, utility charges, or reasonable incidental charges, and may not be construed to provide for an exclusive remedy.”

§798.73.5 HOME UPGRADES ON RESALE

- (a) In the case of a sale or transfer of a mobilehome that will remain in the park, the management may only require repairs or improvements to the mobilehome, its appurtenances, or an accessory structure that meet all of the following conditions:
 - (1) Except as provided by Section [798.83](#), the repair or improvement is to the mobilehome, its appurtenances, or an accessory structure that is not owned and installed by the management.
 - (2) The repair or improvement is based upon or is required by a local ordinance or state statute or regulation relating to mobilehomes, or a rule or regulation of the mobilehome park that implements or enforces a local ordinance or a state statute or regulation relating to mobilehomes.

- (3) The repair or improvement relates to the exterior of the mobilehome, its appurtenances, or an accessory structure that is not owned and installed by the management.

(b)

- (1) The management, in the case of sale or transfer of a mobilehome that will remain in the park, shall provide a homeowner with a written summary of repairs or improvements that management requires to the mobilehome, its appurtenances, or an accessory structure that is not owned and installed by the management no later than 15 business days following the receipt of a request for this information, as part of the notice required by Section [798.59](#). This summary shall include specific references to park rules and regulations, local ordinances, and state statutes and regulations relating to mobilehomes upon which the request for repair or improvement is based.
 - (2) In the event that management fails or refuses to provide a homeowner a written summary of repairs and improvements required by paragraph (1), the management shall be deemed to have voluntarily waived any and all rights to require repairs or improvements to the mobilehome, its appurtenances, or an accessory structure, as a condition of the sale or transfer of a mobilehome, other than a repair or improvement that is required by local ordinances and statutes and regulations, due to, or based upon, health and safety.
- (c) The provisions of this section enacted at the 1999–2000 Regular Session of the Legislature are declarative of existing law as they pertain to allowing park management to enforce park rules and regulations; these provisions specifically limit repairs and improvements that can be required of a homeowner by park management at the time of sale or transfer to the same repairs and improvements that can be required during any other time of a residency.

(Amended by Stats. 2025, Ch. 59, Sec. 1. ([AB 456](#), Connolly) Effective January 1, 2026.)

§798.74 MANAGEMENT APPROVAL OF BUYER; CREDIT RATING REFUND

- (a) The management may require the right of prior approval of a prospective purchaser of a mobilehome that will remain in the park.
- (b)
- (1) A selling homeowner or their agent shall give notice of a sale of a mobilehome that will remain in the park to management before the close of the sale.
 - (2) Management shall, within 15 days, provide the seller and the prospective purchaser both of the following, in writing, upon receiving the notice required in paragraph (1):
 - (A) The standards that management customarily utilizes to approve a tenancy application, including the minimum reported credit score from a consumer credit reporting agency that management requires for approval.
 - (B) A list of all documentation that management will require to determine if the prospective purchaser will qualify for tenancy in the park.
- (c) Management shall not withhold approval from a prospective purchase of a mobilehome unless any of the following apply:
- (1) Management reasonably determines that, based upon the purchaser’s prior tenancies, they will not comply with the rules and regulations of the park.

- (2) The purchaser does not have the financial ability to pay the rent, estimated utilities, and other charges of the park.
- (3) The purchaser has committed fraud, deceit, or concealment of material facts during the application process.
- (d) In determining whether the prospective purchaser has the financial ability to pay the rent and charges of the park pursuant to paragraph (2) of subdivision (c), the management may require the prospective purchaser to document the amount and source of their gross monthly income or means of financial support. However, management shall not require the prospective purchaser to submit any of the following:
 - (1) Documentation beyond that disclosed pursuant to subparagraph (B) of paragraph (2) of subdivision (b).
 - (2) Copies of any personal income tax returns.
- (e)
 - (1) Within 15 business days of receiving all of the information requested from the prospective purchaser, management shall notify the seller and the prospective purchaser, in writing, of either acceptance or rejection of the application. During this 15-day period, the prospective purchaser shall comply with management's request, if any, for a personal interview.
 - (2)
 - (A) If management rejects the application, management shall state the reason for the rejection in accordance with subdivision (c). If the rejection is based upon an alleged lack of financial ability to pay the rent, estimated utilities, and other charges of the park, as described in paragraph (2) of subdivision (c), the prospective purchaser may elect to provide additional financial or asset information to management to demonstrate their financial ability to pay the rent, estimated utilities, and other charges of the park. For purposes of this paragraph, "additional financial information" includes, but is not limited to, the following:
 - (i) Savings accounts.
 - (ii) Certificates of deposit.
 - (iii) Stock portfolios.
 - (iv) Trust interests of which the purchaser is a beneficiary.
 - (v) Real property.
 - (vi) Similar financial assets that can be liquidated or sold.
 - (B) If the prospective purchaser elects to provide additional financial and asset information specified in subparagraph (A), management shall consider the information together with the prospective purchaser's gross monthly income to determine whether the purchaser has the financial ability to pay the rent, estimated utilities, and other charges of the park.
 - (C) If a prospective purchaser provides additional financial and asset information, management may also consider any liabilities of the prospective purchaser when making a final determination of the prospective purchaser's ability to pay the rent, estimated utilities, and other charges of the park under this subdivision.

- (3) If the management fails or refuses to notify the seller and the prospective purchaser, in writing, of either acceptance or rejection of the application pursuant to paragraph (1), the management shall be deemed to have approved the application of the prospective purchaser.
- (f) If the management collects a fee or charge from a prospective purchaser of a mobilehome in order to obtain a financial report or credit rating, the full amount of the fee or charge shall be credited toward payment of the first month's rent for that mobilehome purchaser. If, for whatever reason, the prospective purchaser is rejected by the management, the management shall refund to the prospective purchaser the full amount of that fee or charge within 30 days from the date of rejection. If the prospective purchaser is approved by the management, but, for whatever reason, the prospective purchaser elects not to purchase the mobilehome, the management may retain the fee, or a portion thereof, to defray its administrative costs under this section.
- (g) Management may be held liable by the selling homeowner for any and all damages proximately caused by management's failure to comply with this section.
- (h) For purposes of this section:
- (1) "Charges" means all charges authorized and imposed by management under Section [798.31](#).
- (2) "Consumer credit reporting agency" has the same meaning as defined in subdivision (d) of Section [1785.3](#).
- (3) "Credit score" has the same meaning as defined in subdivision (b) of Section [1785.15.1](#).

(Amended by Stats. 2025, Ch. 59, Sec. 2. ([AB 456](#), Connolly) Effective January 1, 2026.)

[§798.74.4](#) MOBILEHOME RESALE DISCLOSURE TO NEW BUYER

- (a) The transfer or sale of a manufactured home or mobilehome in a mobilehome park is subject to the transfer disclosure requirements and provisions set forth in Article 1.5 (commencing with Section [1102](#)) of Chapter 2 of Title 4 of Part 4 of the Civil Code. The requirements include, but are not limited to, the use of the Manufactured Home and Mobilehome Transfer Disclosure Statement set forth in Section [1102.6d](#) of the Civil Code.
- (b) In the case of a sale or transfer of a mobilehome that will remain in the park, upon written request, a homeowner shall provide a copy of the Manufactured Home and Mobilehome Transfer Disclosure Statement required by subdivision (a) to management.

(Amended by Stats. 2025, Ch. 59, Sec. 3. ([AB 456](#), Connolly) Effective January 1, 2026.)

[§798.74.5](#) RENT DISCLOSURE TO PROSPECTIVE HOMEOWNERS

- (a) Within two business days of receiving a request from a prospective homeowner for an application for residency for a specific space within a mobilehome park, if the management has been advised that the mobilehome occupying that space is for sale, the management shall give the prospective homeowner a separate document in at least 12-point type entitled "INFORMATION FOR PROSPECTIVE HOMEOWNERS," which includes the following statements:

“As a prospective homeowner you are being provided with certain information you should know prior to applying for tenancy in a mobilehome park. This is not meant to be a complete list of information.

Owning a home in a mobilehome park incorporates the dual role of “homeowner” (the owner of the home) and park resident or tenant (also called a “homeowner” in the Mobilehome Residency Law). As a homeowner under the Mobilehome Residency Law, you will be responsible for paying the amount necessary to rent the space for your home, in addition to other fees and charges described below. You must also follow certain rules and regulations to reside in the park.

If you are approved for tenancy, and your tenancy commences within the next 30 days, your beginning monthly rent will be \$ _____ (must be completed by the management) for space number _____ (must be completed by the management). Additional information regarding future rent or fee increases may also be provided.

In addition to the monthly rent, you will be obligated to pay to the park the following additional fees and charges listed below. Other fees or charges may apply depending upon your specific requests. Metered utility charges are based on use.

(Management shall describe the fee or charge and a good faith estimate of each fee or charge.)

Some spaces are governed by an ordinance, rule, regulation, or initiative measure that limits or restricts rents in mobilehome parks. These laws are commonly known as “rent control.” Prospective purchasers who do not occupy the mobilehome as their principal residence may be subject to rent levels which are not governed by these laws. (Civil Code Section [798.21](#)) Long-term leases specify rent increases during the term of the lease. By signing a rental agreement or lease for a term of more than one year, you may be removing your rental space from a local rent control ordinance during the term, or any extension, of the lease if a local rent control ordinance is in effect for the area in which the space is located.

A fully executed lease or rental agreement, or a statement signed by the park’s management and by you stating that you and the management have agreed to the terms and conditions of a rental agreement, is required to complete the sale or escrow process of the home. You have no rights to tenancy without a properly executed lease or agreement or that statement. (Civil Code Section [798.75](#))

If the management collects a fee or charge from you in order to obtain a financial report or credit rating, the full amount of the fee or charge will be either credited toward your first month’s rent or, if you are rejected for any reason, refunded to you. However, if you are approved by management, but, for whatever reason, you elect not to purchase the mobilehome, the management may retain the fee to defray its administrative costs. (Civil Code Section [798.74](#))

We encourage you to request from management a copy of the lease or rental agreement, the park’s rules and regulations, and a copy of the Mobilehome Residency Law. Upon request, park management will provide you a copy of each document. We urge you to read these documents before making the decision that you want to become a mobilehome park resident.

- (b) Management shall provide a prospective homeowner, upon his or her request, with a copy of the rules and regulations of the park and with a copy of this chapter.

(Amended by Stats. 2025, Ch. 59, Sec. 3. ([AB 456](#), Connolly) Effective January 1, 2026.)

§798.75 RENTAL AGREEMENT REQUIRED FOR PARK OCCUPANCY

- (a) An escrow, sale, or transfer agreement involving a mobilehome located in a park at the time of the sale, where the mobilehome is to remain in the park, shall contain a copy of either a fully executed rental agreement or a statement signed by the park's management and the prospective homeowner that the parties have agreed to the terms and conditions of a rental agreement.
- (b) In the event the purchaser fails to execute the rental agreement, the purchaser shall not have any rights of tenancy.
- (c) In the event that an occupant of a mobilehome has no rights of tenancy and is not otherwise entitled to occupy the mobilehome pursuant to this chapter, the occupant is considered an unlawful occupant if, after a demand is made for the surrender of the mobilehome park site, for a period of five days, the occupant refuses to surrender the site to the mobilehome park management. In the event the unlawful occupant fails to comply with the demand, the unlawful occupant shall be subject to the proceedings set forth in Chapter 4 (commencing with Section [1159](#)) of Title 3 of Part 3 of the Code of Civil Procedure.
- (d) The occupant of the mobilehome shall not be considered an unlawful occupant and shall not be subject to the provisions of subdivision (c) if all of the following conditions are present:
- (1) The occupant is the registered owner of the mobilehome.
 - (2) The management has done either of the following:
 - (A) Determined that the occupant has the financial ability to pay the rent and charges of the park; will comply with the rules and regulations of the park, based on the occupant's prior tenancies; and will comply with this article.
 - (B) Failed or refused to timely notify the occupant of either acceptance or rejection of a tenancy application such that the occupant is deemed to have been approved for tenancy pursuant to paragraph (3) of subdivision (e) of Section [798.74](#).
 - (3) The management failed or refused to offer the occupant a rental agreement.

(Amended by Stats. 2025, Ch. 59, Sec. 4. ([AB 456](#), Connolly) Effective January 1, 2026.)

The management shall update the information on the disclosure form annually, or, in the event of a material change in the condition of the mobilehome park, at the time of the material change in that condition.

(b) The written disclosure form shall read as follows:

responsibilities and liabilities to the management regarding rent, utilities, and reasonable maintenance of the mobilehome and its premises which have arisen since the death of the homeowner have been satisfied as they have accrued pursuant to the rental agreement in effect at the time of the death of the homeowner up until the date the mobilehome is resold.

The Legislature intended the statement to be used by transferors making disclosures required under this article and by agents making disclosures required by Section [2079](#) on the agent's portion of the real estate disclosure statement, in transfers subject to this article. In transfers not subject to this article, agents may make required disclosures in a separate writing. The Legislature did not intend to affect the existing obligations of the parties to a real estate contract, or their agents, to disclose any fact materially affecting the value and desirability of the property, including, but not limited to, the physical conditions of the property and previously received reports of physical inspections noted on the disclosure form set forth in Section [1102.6](#) or [1102.6a](#), and that nothing in this article shall be construed to change the duty of a real estate broker or salesperson pursuant to Section [2079](#).

It is also the intent of the Legislature that the delivery of a real estate transfer disclosure statement may not be waived in an "as is" sale, as held in *Loughrin v. Superior Court* (1993) 15 Cal. App. 4th 1188.

- (b) In enacting Chapter 677 of the Statutes of 1996, it was the intent of the Legislature to clarify and facilitate the use of the manufactured home and mobilehome transfer disclosure statement applicable to the resale of a manufactured home or mobilehome pursuant to subdivision (b) of Section [1102](#). The Legislature intended the statements to be used by transferors making disclosures required under this article and by agents making disclosures required by Section [2079](#) on the agent's portion of the disclosure statement and as required by Section [18046](#) of the Health and Safety Code on the dealer's portion of the manufactured home and mobilehome transfer disclosure statement, in transfers subject to this article. In transfers not subject to this article, agents may make required disclosures in a separate writing. The Legislature did not intend to affect the existing obligations of the parties to a real estate contract, or their agents, to disclose any fact materially affecting the value and desirability of the property, including, but not limited to, the physical conditions of the property and previously received reports of physical inspections noted on the disclosure form set forth in Section [1102.6](#) or [1102.6a](#) or to affect the existing

obligations of the parties to a manufactured home or mobilehome purchase contract, and nothing in this article shall be construed to change the duty of a real estate broker or salesperson pursuant to Section [2079](#) or the duty of a manufactured home or mobilehome dealer or salesperson pursuant to Section [18046](#) of the Health and Safety Code.

It is also the intent of the Legislature that the delivery of a mobilehome transfer disclosure statement may not be waived in an “as is” sale.

- (c) It is the intent of the Legislature that manufactured home and mobilehome dealers and salespersons and real estate brokers and salespersons use the form provided pursuant to Section [1102.6d](#). It is also the intent of the Legislature for sellers of manufactured homes or mobilehomes who are neither manufactured home dealers or salespersons nor real estate brokers or salespersons to use the Manufactured Home/Mobilehome Transfer Disclosure Statement contained in Section [1102.6d](#).
- (d) Nothing in Assembly Bill [1289](#) of the 2017–18 Regular Session or Assembly Bill [2884](#) of the 2017–18 Regular Session shall be construed to affect any of the following:
 - (1) A real estate broker’s duties under existing statutory or common law as an agent of a person who retains that broker to perform acts for which a license is required under this division.
 - (2) Any fiduciary duties owed by a real estate broker to a person who retains that broker to perform acts for which a license is required under this division.
 - (3) Any duty of disclosure or any other duties or obligations of a real estate broker, which arise under this division or other existing, applicable California law, including common law.
 - (4) Any duties or obligations of a salesperson or a broker associate, which arise under this division or existing, applicable California law, including common law, and duties and obligations to the salesperson’s or broker associate’s responsible broker.
 - (5) A responsible broker’s duty of supervision and oversight for the acts of retained salespersons or broker associates, which arise under this division or other existing, applicable California law, including common law.

For purposes of this subdivision, references to “existing statutory law” and “existing, applicable California law” refer to the law as it read immediately prior to enactment of Assembly Bill [1289](#) of the 2017–18 Regular Session and Assembly Bill [2884](#) of the 2017–18 Regular Session.

The city or county, or city and county, may impose reasonable conditions and may authorize the owners of the mobilehome park or manufactured housing community to erect traffic signs, markings, or devices which conform to the uniform standards and specifications adopted by the Department of Transportation.
- (b) No ordinance or resolution shall be enacted unless there is first filed with the city or county a petition requested by the owner or owners of any privately owned and maintained roads within a mobilehome park or manufactured housing community, who are responsible for maintaining the roads.
- (c) No ordinance or resolution shall be enacted without a public hearing thereon and 10 days' prior written notice to all owners of the roads within a mobilehome park or manufactured housing community proposed to be subject to the ordinance or resolution. At least seven days prior to the public hearing, the owner or manager of the mobilehome park or manufactured housing community shall post a written notice about the hearing in a conspicuous area in the park or community clubhouse, or if no clubhouse exists, in a conspicuous public place in the park or community.
- (d) For purposes of this section, the prima facie speed limit on any road within a mobilehome park or manufactured housing community shall be 15 miles per hour. This section does not preclude a mobilehome park or manufactured housing community from requesting a higher or lower speed limit if an engineering and traffic survey has been conducted within the community supporting that request.
- (e) The department is not required to provide patrol or enforce any provision of this code on any privately owned and maintained road within a mobilehome park or manufactured housing community, except those provisions applicable to private property other than by action under this section.

2026 CALIFORNIA RECREATIONAL VEHICLE PARK OCCUPANCY LAW

INTRODUCTION

Most of the provisions of the California Mobilehome Residency Law (MRL) were enacted piecemeal over a number of years and eventually codified under Chapter 2.5 of the Civil Code in 1978. Since 1978, a number of sections have been amended and others added to the Code. The MRL is divided into nine Articles, by subject, as indicated in the accompanying Table of Contents.

The Mobilehome Residency Law, like provisions of conventional landlord-tenant law, are enforced by the courts; that is, the disputing parties must enforce the MRL against one another in a court of law. The State Department of Housing and Community Development does not have authority to enforce these Civil Code provisions. For example, a park owner must utilize an unlawful detainer procedure in a court to evict a homeowner for non-payment of rent or failure to abide by reasonable park rules. By the same token, a manufactured home owner must bring legal action, in court, to enforce a notice or other MRL requirement, or obtain an injunction, if the management will not otherwise abide by the MRL.

Other selected laws not part of the MRL but related to park residency are included in this handbook. These include the Recreational Vehicle Park Occupancy Law, first enacted in 1979, which governs tenancies in RV parks. The RV Park Occupancy Law was substantially revised in 1992, dividing it into seven Articles. Also enclosed are relevant laws on mobilehome resale disclosure, park emergency preparedness plans, mobilehome park polling places, registration and titles, and traffic enforcement in mobilehome parks.

A defaulting occupant may correct his or her payment deficiency within the 72-hour period during normal business hours.

(Amended by Stats. 2004, Ch. 530, Sec. 3. Effective January 1, 2005.)

§799.56 SERVICE OF 72-HOUR NOTICE

- (a) The 72-hour written notice shall be served by delivering a copy to the defaulting occupant personally or to a person of suitable age and discretion who is occupying the recreational vehicle located on the lot. In the latter event, a copy of the notice shall also be affixed in a conspicuous place on the recreational vehicle and shall be sent through the mail addressed to the occupant at the place where the property is located and, if available, any other address which the occupant has provided to management in the registration agreement. Delivery of the 72-hour notice to a defaulting occupant who is incapable of removing the occupant's recreational vehicle from the park because of a physical incapacity shall not be sufficient to satisfy the requirements of this section.
- (b) In the event that the defaulting occupant is incapable of removing the occupant's recreational vehicle from the park because of a physical incapacity or because the recreational vehicle is not motorized and cannot be moved by the occupant's vehicle, the default shall be cured within 72 hours, but the date to quit shall be no less than seven days after service of the notice.
- (c) The management shall also serve a copy of the notice to the city police if the park is located in a city, or, if the park is located in an unincorporated area, to the county sheriff.

(Added by Stats. 1992, Ch. 310, Sec. 2. Effective January 1, 1993.)

§799.57 NOTICE OF RV REMOVAL

The written 72-hour notice shall state that if the defaulting occupant does not remove the recreational vehicle from the premises of the park within 72 hours after receipt of the notice, the management has authority pursuant to Section [799.58](#) to have the recreational vehicle removed from the lot to the nearest secured storage facility.

(Added by Stats. 1992, Ch. 310, Sec. 2. Effective January 1, 1993.)

§799.58 RV REMOVAL/NOTICE TO SHERIFF

Subsequent to serving a copy of the notice specified in this article to the city police or county sheriff, whichever is appropriate, and after the expiration of 72 hours following service of the notice on the defaulting occupant, the police or sheriff, shall remove or cause to be removed any person in the recreational vehicle. The management may then remove or cause the removal of a defaulting occupant's recreational vehicle parked on the premises of the park to the nearest secured storage facility. The notice shall be void seven days after the date of service of the notice.

(Added by Stats. 1992, Ch. 310, Sec. 2. Effective January 1, 1993.)

§799.59 REASONABLE CARE IN RV REMOVAL

When the management removes or causes the removal of a defaulting occupant's recreational vehicle, the management and the individual or entity that removes the recreational vehicle shall exercise reasonable and ordinary care in removing the recreational vehicle to the storage area.

(Added by Stats. 1992, Ch. 310, Sec. 2. Effective January 1, 1993.)

ARTICLE 4 – DEFAULTING TENANTS**§799.65 FIVE DAYS TO PAY DUE RENT/THREE-DAY NOTICE TO VACATE**

The management may terminate the tenancy of a defaulting tenant for nonpayment of rent, utilities, or reasonable incidental service charges, provided the amount due shall have been unpaid for a period of five days from its due date, and provided the tenant has been given a three-day written notice subsequent to that five-day period to pay the total amount due or to vacate the park. For purposes of this section, the five-day period does not include the date the payment is due. The three-day notice shall be given to the tenant in the manner prescribed by Section [1162](#) of the Code of Civil Procedure. Any payment of the total charges due, prior to the expiration of the three-day period, shall cure any default of the tenant. In the event the tenant does not pay prior to the expiration of the three-day notice period, the tenant shall remain liable for all payments due up until the time the tenancy is vacated.

(Added by Stats. 1992, Ch. 310, Sec. 2. Effective January 1, 1993.)

§799.66 THIRTY DAYS' NOTICE OF TERMINATION

The management may terminate or refuse to renew the right of occupancy of a tenant for other than nonpayment of rent or other charges upon the giving of a written notice to the tenant in the manner prescribed by Section [1162](#) of the Code of Civil Procedure to remove the recreational vehicle from the park. The notice need not state the cause for termination but shall provide not less than 30 days' notice of termination of the tenancy.

(Amended by Stats. 1994, Ch. 167, Sec. 1. Effective January 1, 1995.)

§799.67 EVICTION PROCEDURES

Evictions pursuant to this article shall be subject to the requirements set forth in Chapter 4 (commencing with Section [1159](#)) of Title 3 of Part 3 of the Code of Civil Procedure, except as otherwise provided in this article.

(Added by Stats. 1992, Ch. 310, Sec. 2. Effective January 1, 1993.)

ARTICLE 5 – DEFAULTING RESIDENTS**§799.70 EVICTION PROCEDURES**

The management may terminate or refuse to renew the right of occupancy of a defaulting resident upon the giving of a written notice to the defaulting resident in the manner prescribed by Section [1162](#) of the Code of Civil Procedure to remove the recreational vehicle from the park. This notice shall provide not less than 60 days' notice of termination of the right of occupancy and shall specify one of the following reasons for the termination of the right of occupancy:

- (a) Nonpayment of rent, utilities, or reasonable incidental service charges; provided, that the amount due has been unpaid for a period of five days from its due date, and provided that the resident shall be given a three-day written notice subsequent to that five-day period to pay the total amount due or to vacate the park. For purposes of this subdivision, the five-day period does not include the date the payment is due. The three-day notice shall be given to the resident in the manner prescribed by Section [1162](#) of the Code of Civil Procedure. The three-day notice may be given at the same time as the 60-day notice required for termination of the right of occupancy; provided, however, that any payment of the total charges due, prior to the expiration of the three-day period, shall cure any default of the resident. In the event the resident does not pay prior to the expiration of the three-day notice period, the resident shall remain liable for all payments due up until the time the tenancy is vacated.
- (b) Failure of the resident to comply with a local ordinance or state law or regulation relating to the recreational vehicle park or recreational vehicles within a reasonable time after the resident or the management receives a notice of noncompliance from the appropriate governmental agency and the resident has been provided with a copy of that notice.
- (c) Conduct by the resident or guest, upon the park premises, which constitutes a substantial annoyance to other occupants, tenants, or residents.
- (d) Conviction of the resident of prostitution, or a felony controlled substance offense, if the act resulting in the conviction was committed anywhere on the premises of the park, including, but not limited to, within the resident's recreational vehicle.

However, the right of occupancy may not be terminated for the reason specified in this subdivision if the person convicted of the offense has permanently vacated, and does not subsequently reoccupy, the recreational vehicle.

- (e) Failure of the resident or a guest to comply with a rule or regulation of the park which is part of the rental agreement or any amendment thereto.

No act or omission of the resident or guest shall constitute a failure to comply with a rule or regulation unless the resident has been notified in writing of the violation and has failed to correct the violation within seven days of the issuance of the written notification.

- (f) Condemnation of the park.
- (g) Change of use of the park or any portion thereof.

(Added by Stats. 1992, Ch. 310, Sec. 2. Effective January 1, 1993.)

§799.71 EVICTION PROCEDURES

Evictions pursuant to this article shall be subject to the requirements set forth in Chapter 4 (commencing with Section [1159](#)) of Title 3 of Part 3 of the Code of Civil Procedure, except as otherwise provided in this article.

(Added by Stats. 1992, Ch. 310, Sec. 2. Effective January 1, 1993.)

ARTICLE 6 – LIENS FOR RV’S AND ABANDONED POSSESSIONS**§799.75 UPON DEFAULT/CIVIL CODE PROCEDURE**

The management shall have a lien upon the recreational vehicle and the contents therein for the proper charges due from a defaulting occupant, tenant, or resident. Such a lien shall be identical to that authorized by Section [1861](#), and shall be enforced as provided by Sections [1861](#) to [1861.28](#), inclusive. Disposition of any possessions abandoned by an occupant, tenant, or resident at a park shall be performed pursuant to Chapter 5 (commencing with Section [1980](#)) of Title 5 of Part 4 of Division 3.

(Added by Stats. 1992, Ch. 310, Sec. 2. Effective January 1, 1993.)

ARTICLE 7 – ACTIONS AND PROCEEDINGS**§799.78 ATTORNEY’S FEES AND COSTS**

In any action arising out of the provisions of this chapter, the prevailing party shall be entitled to reasonable attorney’s fees and costs. A party shall be deemed a prevailing party for the purposes of this section if the judgment is rendered in his or her favor or where the litigation is dismissed in his or her favor prior to or during the trial, unless the parties otherwise agree in the settlement or compromise.

(Added by Stats. 1992, Ch. 310, Sec. 2. Effective January 1, 1993.)

§799.79 \$500 DAMAGES/WILLFUL VIOLATIONS BY MANAGEMENT

In the event that an occupant, tenant, or resident or a former occupant, tenant, or resident is the prevailing party in a civil action against the management to enforce his or her rights under this chapter, the occupant, tenant, or resident, in addition to damages afforded by law, may, in the discretion of the court, be awarded an amount not to exceed five hundred dollars (\$500) for each willful violation of any provision of this chapter by the management.

01-12 – RENTS, FEES AND TAXES

1. Does state law regulate the amount of rent increases in mobilehome parks?

No, state law does not regulate the amount of a rent increase in a mobilehome park. Rent stabilization is a “local control issue”. The MRL does require a park to give residents a 90-day advance written notice of a rent increase ([Civil Code §798.30](#)). If residents are on a long-term lease, the lease will govern the percentage and frequency of rent increases, with increases not less than every 90 days as required by law. Prior to 2021, [Civil Code §798.17\(a\)\(1\)](#) provided that, if residents sign a long-term lease of more than one year in length that lease is exempt from any local rent ordinance provisions. However, AB 2782, passed by the legislature in 2020, significantly amended the [Civil Code §798.17](#) exemption. As of January 1, 2021, any long-term lease signed on or after February 13, 2020 is no longer exempt from local rent stabilization, and the rent regulations in the local ordinance will take precedence. In addition, all long-term leases signed prior to February 13, 2020 shall continue to be exempt from local rent stabilization, but only until they expire, or until January 1, 2025, whichever occurs first. (Note: Approximately 104 local jurisdictions (cities and counties) have some form of rent stabilization for mobilehome parks.)

Recap:

- State law does not regulate the amount of a rent increase. It is a local control issue.
- A 90-day advance written notice of rent increase is required.
- If resident is on a long-term lease, check the language in lease for frequency (not less than every 90 days) and percentage of increases.

2. Can the park charge separate “maintenance” or “pass-through” fees in addition to the rent?

Yes, if the resident’s signed lease or rental agreement provides for assessments or fees for maintenance, among other services. If not mentioned in the lease, a new fee would have to be for a service actually rendered, such as trash pick-up, and would require a 60-day advance written notice. ([Civil Code §798.32\(a\)](#)) If the resident signs a new lease or rental agreement that includes these fees, they are agreeing to pay the fees. State law does not require a notice requirement for an increase in an already existing fee. Local jurisdictions with mobilehome park rent control ordinances may regulate fees or pass-through costs which parks charge their residents. Some ordinances, for example, distinguish capital improvements from maintenance, allowing a pass-through fee of certain capital improvements (not including maintenance) amortized over a period of time.

Recap:

- A 60-day advance written notice is required for a new fee if it is not mentioned in the lease.
- Notice is not required for an increase in an existing fee.

3. A 90-day written notice of rent increase was delivered late. Is this notice legal?

No. The MRL provides for residents to receive the 90-day written notice of a rent increase before the date of the increase. ([Civil Code §798.30](#)) Any notice required by the MRL shall either be delivered and received in-person or by U.S. mail, postage prepaid. ([Civil Code §798.14](#)) Actual receipt of the notice less than 90 days before the increase is not a 90-day notice.

Recap:

- A 90-day written advance notice must be received by residents 90 days before increase.
- The notice must be delivered in-person or by U.S. mail.

4. Can the park charge residents for back-rent that was miscalculated because of the manager's mistake?

It depends on the situation. If the park rental agreement or lease stipulates the monthly rent for the term of the lease, and there is no provision in the lease for a contingency, such as an increase due to management error, then back-rent could not be charged. However, if residents have signed a rental agreement that provides that back-rent may be charged in the event of a management miscalculation or error, then the additional rent could be charged with a 90-day notice.

Recap:

- If not specified in lease or rental agreement, then collection of back-rent is not allowable.
- If back-rent is allowed under terms of lease or rental agreement, then a 90-day advance written notice is required.

5. Can the park owner require a deposit or fee for use of the clubhouse by the homeowners association?

No, however there are certain exceptions. The MRL provides that a park rental agreement or rule or regulation shall not deny a homeowner or resident the right to hold meetings for a lawful purpose in the clubhouse at reasonable times and in a reasonable manner, when the facility is not otherwise in use. ([Civil Code §798.51\(a\)\(1\)](#)) Homeowners or residents may not be charged a cleaning deposit or require liability insurance in order to use the clubhouse for meetings relating to mobilehome living or for social or educational purposes and to which all homeowners are allowed to attend. ([Civil Code §798.51\(b\)](#)) However, the park may require a liability insurance binder when alcoholic beverages are served. ([Civil Code §798.51\(c\)](#)) If a homeowner reserves the clubhouse for a private function to which all park residents are not invited, the park could charge a fee or deposit.

Recap:

- No fee may be charged for homeowner functions.
- A liability insurance fee may be charged if alcohol is served.
- A fee may be charged for private parties.

6. Can the park charge first and last months' rent plus a 2-month security deposit?

Normally, when a mobilehome owner is accepted for residency in a mobilehome park and signs a rental agreement, charging first month's rent and a 2-month security deposit are permitted. ([Civil Code §798.39](#)) After one full year of satisfactory residency (meaning all rent and fees have been paid during that time), the resident is entitled to request a refund of the 2-month security deposit, or may request a refund at the time he or she vacates the park and sells the home. ([Civil Code §798.39\(b\)](#))

Recap:

- A 2-month security deposit may be charged.
- A security deposit refund is allowed after one year if all rent and fees have been paid.

7. Can the resident refuse to pay the rent or deduct a certain amount from the rent if water in the park is cut off?

No. Refusing to pay the rent or paying a reduced rent could lead to the residents' termination of tenancy unless residents are willing to chance an eviction and use the lack of water as a defense. Instead, residents should file an emergency complaint with the Department of Housing (HCD) or a local enforcement agency if the local agency has jurisdiction over the lack of water in the park. An inspector can then cite the park for failing to provide adequate water and require the park to furnish bottled water and alternative bathing facilities until the water problem is fixed. The MRL requires the park to maintain the common facilities (which include the utilities) in good working order and condition. ([Civil Code §798.15\(d\)](#))

Recap:

- Resident is not allowed to deduct rent in case of utility shut-off.
- If there is lack of water, alert the code enforcement agency.

8. Can the park evict a resident for not paying rent even though the park's Permit to Operate has been invalid for a year?

If the Permit to Operate (PTO) is officially suspended by the state Department of Housing (HCD) the park cannot legally collect rent from residents until the permit is re-instated. Until the PTO is officially suspended by HCD however – despite the fact that the PTO fee may not been paid to the state in a year – residents who withhold rent from the park may be subject to a notice of termination of tenancy by the management.

Recap:

- If the mobilehome park's permit to operate (PTO) is officially suspended, then the park cannot legally collect rent.

9. Can the park charge the resident a late fee if they missed paying the rent and utility bill by one day?

Late fees on rents, utility charges or other pass-through fees are not regulated by the MRL, however, California court cases regarding late fees generally have upheld residential leases with preset late penalties if they bear a reasonable relationship to the actual damages that could be anticipated or sustained by the landlord for late payment, such as administrative costs relating to accounting for and collecting the late payments. For example, a 3% charge for late payment of rent (\$15 on a \$500 rent bill) is probably going to be construed as reasonable. Whether \$50 is reasonable depends on the outstanding amount of the late rent and utilities owed.

Recap:

- If the signed lease or rental agreement stipulates a late fee, then the resident must pay.

10. Why do residents have to pay taxes on their mobilehomes in addition to paying the park owner a fee for property taxes?

Mobilehome owners, who are park residents, pay for the park's property taxes either through their rent or sometimes through separate pass-through fees for property taxes, or property tax increases, on the park property. Yet mobilehome owners may also be liable for an individual property tax to the county on their home and accessory structures. Prior to July 1, 1980 most mobilehomes were taxed like vehicles by the state with a vehicle license fee (VLF) in lieu of local property taxes. However, the law was changed in 1979 to subject new mobilehomes and manufactured homes sold on or after July 1, 1980 to local property taxes instead of the VLF. Pre- July 1980 homes remain on the VLF unless the owner voluntarily switches the home to the local property tax system. Tax law does not allow the county assessor to base assessment of taxes on mobilehomes in parks on the value of the park land or space. Hence, the mobilehome owner's property tax is separate from the property tax on the park owner's land.

Recap:

- Resident pays the park's property tax pass-through fee. Resident may also have to pay county's tax assessment on their home and accessory structures.
- Before July 1, 1980, mobilehomes pay Vehicle License Fee.
- After July 1, 1980, new mobilehomes pay property taxes, separate from the tax assessment on park property.

11. How can a resident get their taxes reduced?

Local property taxes are based on 1% of the assessed value (AV) of the property or home, plus any local bonded debt, such as school bonds. Under the California Constitution (Article VIIIA), the county assessor may increase the AV by 2% a year; however, when a home is sold and ownership is transferred, the assessor may re-assess the property (usually to the higher selling price or value). Therefore, homes that have been resold in a "good" real estate market have been reassessed at higher values, sometimes significantly higher, than those that have remained under the same ownership for years with the application of the annual

2% formula. Since the 2007 recession, many homes have decreased in value. Mobilehome owners, like owners of conventional homes, who feel their taxes are too high in the current market, may file an appeal with the county assessment appeals board to see if they can get their AV, and thus their taxes, reduced. The burden, however, is on the homeowner to produce evidence that his or her home is worth less than the assessor's valuation. This can be done by getting a private appraisal(s) and producing documents showing the reduced or selling prices of similar mobilehomes in the park or in similar parks in the community. Information on how to apply and the deadlines for applying may be obtained from the local county tax assessor's office.

Recap:

- File an appeal with the county tax assessor and be prepared to prove that the value of the mobilehome is worth less than the assessed value.

12. Must the park owner accept Section 8 vouchers?

Section 8 is a federal program (Housing and Urban Development), and federal law does not require landlords to accept Section 8 rent vouchers. Landlords who accept Section 8 enter into agreements or contracts with the county that administers the program and must abide by the Section 8 terms for the period of the agreement, which is normally a set number of years. Because of Section 8 restrictions, some landlords have opted-out of Section 8 at the end of their agreements. The local county housing agency has information regarding availability of rent vouchers.

Recap:

- The park owner does not have to accept Section 8 rent vouchers.

13-17 – UTILITIES

13. Park Utility Costs

Where can residents get help if they suspect they are being overcharged on utility bills?

Most parks are “master-meter” operators that own, operate and maintain the electric, gas and water distribution system within the park and bill their residents with the monthly rent statement. Under the state Public Utilities Code, master-meter customers (parks) shall charge no more than the local serving utility would charge a resident, including passing through any low-income rebates or discounts, such as “CARE.” Residents can call County Weights and Measures (W&M) to have them check the accuracy of their meters and assure they have been correctly calibrated. Some W&M offices are willing to look into billing complaints, such as failure to provide proper billings or post rates, but most only check the accuracy of the meters. The California Public Utilities Commission (CPUC) is required to take informal complaints (800-649-7570) from residents in master-meter parks. The CPUC often refers these complaints to the serving utility to work out with the park management. If a third party billing agent prepares the utility billings for the park, the management shall disclose the contact information of the billing agent on residents’ billings. ([Civil Code §798.40\(b\)](#))

Recap:

- The resident must prove overcharges.
- CPUC is required to take informal complaints (800-649-7570).
- Contact information for the third party billing agent must be disclosed on the residents’ utility billings.

14. Itemized Charges

Can the park start billing residents for utilities that were previously included in the rent?

If the residents’ rental agreement provides that sewer, water and garbage are included in the rent, the park management may elect to itemize or charge separately for these utilities. ([Civil Code §798.41](#)) In this case, the average monthly amount of the utility charges shall be deducted from the rent. If the rental agreement does not specifically indicate that utility charges are included in the rent, then the park owner could charge for them after complying with the 60-day written notice requirement. ([Civil Code §798.32](#))

Recap:

- If the lease or rental agreement stipulates separate charges, then the resident must pay accordingly.
- If it is not stipulated in the lease or rental agreement, then the park must give a 60-day advance written notice of an itemized billing.

15. Park Cable TV or Common Antenna System Fees

Do residents have to pay the cable TV service fee even if they don't use it? Also, can the park prohibit satellite dishes?

The park can charge a fee for services actually rendered with a 60-day notice if it is not already provided for in the rental agreement. ([Civil Code §§798.31, 798.32](#)) If the resident has signed a long-term lease agreeing to pay the fee, they may be obligated to continue to pay it until the end of the term of the lease. A 1997 California appellate case, *Greening v. Johnson*, held that cable TV is not an essential utility and a park cannot charge a resident a fee for such a service not actually used by the resident. Moreover, the Telecommunication Act of 1996 provides that community rules and regulations or local ordinances cannot prohibit the installation of a dish antenna on one's home or property if it is not more than 39 inches in diameter and does not constitute a health and safety problem. Park rules can regulate placement or design of the antenna on the home if reasonable (e.g. rules don't preclude acceptable reception) but cannot ban satellite dishes outright.

Recap:

- If stipulated in the signed lease or rental agreement, resident must pay the fee.
- If not stipulated in the lease or rental agreement, then the park must provide a 60-day advance written notice of a fee for service actually rendered.
- Cable TV is not an essential utility, therefore the park cannot charge a non-user.
- Satellite dishes are allowable, but with strict guidelines.

16. Water Charges

Some residents' water usage is down, but their water bill has increased. How do they find out if they are being overcharged?

Contact the park management. If the park cannot help, call the County Sealer (Weights and Measures) and ask them to check the accuracy of the meter. Check for plumbing leaks under home or in fixtures. If none of these steps resolve the problem, the resident may wish to file a complaint with the California Public Utilities Commission (CPUC) about rate issues and overcharges but only if the park receives water from a water utility or supplier regulated by the CPUC. If water is CPUC-regulated, resident may only be charged a water rate that the regulated utility would be able to charge residents if they were served directly by the utility. This would include a usage rate and a customer service charge (for meter reading and service). However, the majority of parks are not served by regulated water utilities but by municipalities, water districts, utility districts, or even the park's own water well system, and are not regulated by the CPUC. One exception is that the CPUC may take complaints from residents of parks regarding service or rates charged by parks using their own water systems or underground wells. If the park is subject to local mobilehome park rent control, rent control authorities may be able to provide some relief depending upon how the rent ordinance is written or administered. Otherwise, the resident would have to complain to the appropriate governing board of the municipality, water or utility district actually furnishing water to the park.

Recap:

- In a park with metered water served by regulated water districts: check bill calculations, see manager, call county, or file a complaint with the CPUC.
- If it is a park without metered water and not served by a regulated water district: call the local water board.

17. Call Local Utilities Before Digging

Construction work is scheduled in the park that I manage. Do I have to contact the local utilities first?

Instead of calling the local utilities, dial 811 and be connected to the appropriate regional notification center that will contact the subsurface installation operators. The subsurface installation operator will then mark the lines that they own, operate or maintain within the area where you will be digging. ([Government Code §4216.2](#))

18-20 – LEASES AND RENTAL AGREEMENTS

18. Long Term Leases Exempt from Rent Control

Can the park manager force residents to sign a long-term lease, causing them to lose rent control protections?

If the resident is currently a homeowner residing in the park, then they may reject a long-term lease and opt for a shorter-term lease. In the case of a prospective buyer of a home in the park who is not yet a resident, their right not to sign such a long lease is less clear. A rental agreement or lease with a term of more than 12 months is exempt from any rent control ordinance. ([Civil Code §798.17](#)) The resident may reject a long-term lease after reviewing it and opt for an annual or month-to-month rental agreement. ([Civil Code §798.18](#)) If the resident elects to have a rental agreement for 12 months or less, the rent charges and conditions shall be the same as those offered in the longer-term lease during the first 12 months ([Civil Code §798.18](#)). Not all long-term leases are bad for homeowners, and some may provide rent stability for years that month-to-month or annual tenancy does not, particularly in localities where rent control will probably never be enacted. (See also Question #20)

Recap:

- Current homeowners residing in the park have the option of signing a short-term lease agreement with charges and conditions that are the same as in a long-term lease.
- Buyers, or prospective residents, may not have the option to reject a long-term lease.
- Residents have 30 days to review and accept or reject a long-term lease.

19. Leases in Language Other than English

Is the park required to provide a lease agreement in the language of the resident if the resident is non-English speaking?

Not in most cases. [Civil Code §1632](#) provides that a person engaged in a trade or business, who negotiates a contract or lease – including a rental agreement covering a dwelling, apartment or mobilehome – in Spanish, Chinese, Tagalog, Vietnamese, or Korean, shall provide the other party, if he or she requests it, with a written copy of the contract or agreement in that language prior to execution of the document. However, this provision does not apply to contracts or agreements negotiated with the use of an interpreter, or to month-to-month rental agreements. Additionally, most mobilehome parks do not “negotiate” their leases with homeowners or prospective homeowners, but rather offer the lease on a “take it or leave it” basis.

Recap:

- Most mobilehome lease contracts are not negotiated and therefore they do not have to be offered in languages other than in English.

20. Length of lease: Long-Term, Annual, or Month-to-Month

Does a resident have to sign a long-term lease, or are there other options?

Homeowners living in a park have the right to review the proposed long-term lease and to reject it within 30 days and opt instead for a 12-month lease agreement or month-to-month rental agreement. ([Civil Code §798.17\(b\)](#)) If a homeowner rejects a long term lease, then the park cannot increase the rent above the terms provided for in the rejected long-term lease, for a year after the rejection date. ([Civil Code §798.17\(c\)](#), [Civil Code §798.18\(b\)](#)) A homeowner living in the park is entitled to a 12-month agreement or month-to-month, if they ask for it. ([Civil Code §798.18\(a\)](#)). (See also Question #18)

Recap:

- The resident has 30 days to accept or reject a long-term lease.
- The resident has the option of a month-to-month or annual rental agreement.
- If the lease is rejected, no increase in rent is allowed, above the terms of the lease, for a year.

21-25 – TERMINATION OF TENANCY

21. Eviction for Late Payment of Rent

Can the park evict a resident for payment of late rent even though their rental history shows they eventually pay the full rent?

Yes. The MRL ([Civil Code §798.56\(e\)](#)) gives homeowners five days after the due date to pay the monthly rent and a 3-day notice thereafter to pay the rent (in 3 days) or be subject to termination of tenancy in 60 days. If a homeowner pays the rent within the 3-day grace period, the 60-day termination of tenancy is voided. However, the homeowner can only pay the rent late three times in a 12-month period. If a homeowner is late a fourth time within any 12-month timeframe, the park can refuse to accept the late rent and proceed with eviction after 60 days. [Civil Code §798.56\(e\)\(1\)](#) has a specific boldface warning notice about this “three strikes” provision, which must be included in each 3-day notice given by the management to the homeowner.

Recap:

- The resident has five days from the due date to pay rent.
- If the rent is late, the park can give the resident a 3-day notice to pay or risk eviction in 60 days.
- The resident can be late only three times in a 12-month period.

22. Eviction for Rule Violations

Is the park allowed to issue an eviction notice to a resident and then refuse to talk about it and return their rent check?

In a mobilehome park, a resident’s tenancy can only be terminated for just cause, meaning they can only be evicted for the seven reasons specified in state code, including violation of a park rule or regulation. ([Civil Code §§798.55, 798.56](#)) The park management must give the resident a 60-day notice ([Civil Code §798.55\(b\)\(1\)](#)), but if the resident refuses to move after the 60-day period, the park management can take the resident to court in what is known as an unlawful detainer action. There the resident would have the opportunity to tell the judge their side of the story. If the resident is evicted, and depending upon the court’s decision, the resident may be required to pay the management’s attorney fees ([Civil Code §798.55\(d\)](#)), in addition to having to leave the park. Management is required to specify the rule broken and explain the details and give the resident seven days to correct the rule violation. ([Civil Code §798.56\(d\)](#)) If the resident violates the rule more than twice in a 12-month period, on the third violation, the management may proceed with termination whether or not the resident has cured the violation (“3 strikes”). ([Civil Code §798.56\(e\)\(5\)](#))

Recap:

- The park manager must specify which rule was broken and explain the details.
- The park must give the resident seven days to correct the rule violation.
- If the resident violates a rule more than twice in a 12-month period, the park may proceed with eviction whether or not the resident corrected the violation.

23. End of Rental Agreement Term

Can the park end a resident's tenancy by refusing to enter into a new rental agreement?

No, not if the resident is a homeowner. Under the MRL, homeowners normally rent under a month-to-month or 12-month rental agreement or long-term lease of more than one year. When the term of the rental agreement is up, the management cannot elect to end the tenancy but must offer a 12-month or month-to-month agreement if requested by the homeowner. Residents who own their mobilehomes in the park cannot be evicted because their lease has expired – only if they have not paid the rent, or have violated park rules or regulations. ([Civil Code §798.56](#)) However, if the resident is a tenant – not a homeowner – who rents a park-owned mobilehome, such a tenancy would be governed by conventional landlord-tenant law. In that case, the park can terminate the tenancy without a reason with a 6.

Recap:

- The park cannot terminate a resident's tenancy when the lease or rental agreement expires – only when the rent has not been paid or a rule has been violated.

24. Tenant Rights in Park-Owned Mobilehomes

For residents who do not own the mobilehome they are living in, what rights do they have in the case of an eviction?

The MRL eviction protections and procedures only apply to homeowners who own their own homes and rent their spaces, not to tenants who rent mobilehomes owned by the park, park management, or other persons. Certain sections of the MRL do apply specifically to both homeowners and "residents" ([Civil Code §798.11](#)). However, the MRL's "just cause" eviction provisions ([Civil Code §798.56](#)) do not apply to residents who rent mobilehomes owned by others. They would be subject to the requirements of conventional landlord-tenant law ([Civil Code §1940](#) et seq.). In such a case for these tenants, where there is a notice of eviction without any reason, tenants living in the rental home for less than a year generally would be entitled to a 30-day notice of termination; those living there for a year or more, are entitled to a 60-day notice if eviction is without cause. (Exceptions to the 60-day requirement are in [Civil Code §1946.1](#).)

Recap:

- Tenants who live in the mobilehome which they own are covered under the provisions of the MRL.
- Tenants living in rental mobilehomes are subject to eviction protections and procedures in landlord-tenant law, not the MRL.
- Tenants in rental homes for less than a year generally are entitled to a 30-day notice of termination if there is no cause for termination.
- Tenants in rental homes for a year or more generally are entitled to a 60-day notice of termination if there is no cause for termination.

25. Park Closure or Conversion

Do residents have any rights to compensation for being dislocated when the park closes down?

Mobilehome park residents are entitled to receive one of two kinds of written notice before a mobilehome park may legally close or convert to another type of land use:

1. Where no local government permits are required to close or convert the park to another use, management must give residents at least 12 months written notice of termination of tenancy. ([Civil Code §798.56\(g\)\(2\)\(B\)](#))
2. Where local permits are required, which is usually the case, management must give residents a 60-day written notice that park management will appear before a local board or planning commission to request permits for a change of use. After all permits have been approved residents must then also receive a 6-month written notice of termination of tenancy. ([Civil Code §798.56\(g\)\(1\)](#) and [\(2\)\(A\)](#))

Together with these notices, State law requires the park owner to also prepare and file a written report on the impact of the closure or cessation of use of the mobilehome park with the local city or county government authority (typically called a “Closure Impact Report” or “CIR”) ([Government Code §65863.7](#)). The CIR must be provided to all residents of the park along with the above-described notices. ([Civil Code §798.56\(h\)](#)) Approval of the closure or conversion of a mobilehome park to another use is conditioned upon approval of the CIR, so as to determine the impact and effect the conversion will have on the residents’ dislocation and their ability to find alternative housing. ([Government Code §65863.7](#)) Pursuant to significant amendments enacted by Assembly Bill 2782 effective January 1, 2020, CA [Government Code §65863.7](#) now reads as follows:

Requires that the CIR include a replacement and relocation plan that adequately mitigates the impact of the closure or conversion upon the displaced residents; Requires the park owner to relocate the displaced residents to alternative housing, or to pay to them the “in place” market value of the displaced resident’s mobilehome if he/she/they cannot be relocated to adequate replacement housing (i.e. a fair market value ‘buy out’); Requires the park owner to pay for, and include in the CIR, an appraisal by a state-certified appraiser which determines the in- place market value of the displaced resident’s mobilehome, if no relocation is possible.; and Prohibits local authorities from approving any closure or change of use unless they find that it will not result in or contribute to a shortage of affordable housing within the local jurisdiction.

The local government agency must hold a public hearing to review the CIR and determine its sufficiency, and shall require management to pay the reasonable costs of relocation to displaced residents as a condition for obtaining various permits to convert the park and develop the land for another use. Usually this takes several hearings and a number of months. Actual relocation assistance afforded to residents is determined by the local government, usually the planning commission or a delegated committee or agency of the commission. Many local governments have enacted a mobilehome park closure or conversion ordinance which parallels the requirements of state law and fills in the details of the required mitigation

assistance, whether an actual relocation of the mobilehome or a fair market value buy-out. [Government Code §65863.7](#) establishes the minimum standard for local governments to follow, but does not prevent them from enacting more stringent measures.

If the park is to be subdivided into individual parcels (where a conventional subdivision will replace the park) and where a tentative or final map is required, the local government may impose even more stringent relocation requirements. ([Government Code §66427.4](#).) Any such ordinance is the final authority regarding any relocation assistance to which displaced mobilehome owners may be entitled.

Recap:

- If no local permits are required for park closure or conversion, then the park must give residents at least 12 months advance written notice.
- If local permits are required for park closure or conversion, then the park must give residents 60 days notice of any local hearings, followed by a 60-day written notice once permits are approved.
- The park owner must prepare, serve and file a written Closure Impact Report (“CIR”), which is publicly reviewed and approved by the local government agency.
- The CIR must contain a relocation plan that mitigates the impact of the park closure or conversion upon the residents, which provides that if a resident cannot be relocated to adequate housing he/she/they shall be paid the in-place market value of their home pursuant to an appraisal prepared by a state-certified appraiser.
- The state Government Code establishes a minimum standard for local governments, which can enact their own more stringent requirements for conversion or closure.
- No conversion or closure can be approved unless the local government finds that it will not result in or materially contribute to a shortage of affordable housing within the area.

26-40 – STATE LAWS AND PARK RULES

26. Park Rules vs. Mobilehome Residency Law (MRL)

Do mobilehome park rules prevail over state law?

No. The park rental agreement and the park rules and regulations must be consistent with the MRL and other laws that apply in parks. For example, a park rental agreement or rule that provides the park may increase the rent with a 30-day notice to a homeowner who owns the mobilehome in the park would be in conflict with [Civil Code §798.30](#), which provides that such a rent increase requires a 90-day notice. In this example, the MRL prevails over the conflicting park rule.

Recap:

- State laws prevail over park rules.

26.1. Annual Distribution of MRL to Residents

Is the park manager responsible for distributing the Mobilehome Residency Law to every resident annually?

Prior to February 1 of each year, if a significant change was made to the MRL, the park owner or manager shall provide all homeowners with a copy of the MRL, or provide written notice to all homeowners that there has been a change to the MRL and that homeowners may obtain a copy of the MRL from the management at no charge. Upon request of the homeowner, management must provide a copy within seven days. ([Civil Code §798.15\(c\)](#)).

NOTE: The management must provide a copy of the MRL only, as specified. The MRL is [Civil Code §798-798.88](#). Management is not required to distribute the handbook published by the State Senate, casually referred to as “The MRL.”

26.2. MRL in Spanish and Other Languages

When will the CA State Senate’s MRL handbook be translated? There is great demand for Spanish, Vietnamese and other languages.

For many years, the State Senate translated the Mobilehome Residency Law (MRL) into Spanish. At one time the MRL was also available in Vietnamese. The last Spanish translation was done in 2012, and the last Vietnamese translation was done in 2007. Over the years, budget cuts have made it impossible to acquire updated translations. Since the MRL is in the public domain, communities may translate the MRL for their members.

27. MRL Protections

Do the protections of the MRL apply to all residents in mobilehome parks, or do they only apply to homeowners?

Many of the most important provisions of the MRL expressly apply to homeowners only, such as the terms and receipt of written leases ([Civil Code §§798.15](#) and [798.18-798.19.5](#)),

amendment procedures for rules and regulations ([Civil Code §798.25](#)), fees and charges ([Civil Code §§798.30-798.39.5](#)), evictions ([Civil Code §§798.55-798.56](#)), and rental qualifications and procedures. On the other hand, issues dealing with a “community” of persons often include “residents”, such as management entry into mobilehomes or park spaces ([Civil Code §798.26](#)), vehicle removal ([Civil Code §798.28.5](#)), communications and right to assemble ([Civil Code §§798.50-798.52](#)), and abatement of park nuisances, and injunctions for violating park rules ([Civil Code §§798.87-798.88](#)).

Recap:

- It has been interpreted that key provisions of the MRL apply only to homeowners.

28. Rule Changes

Is the new park management allowed to change rules on long-time residents or are these residents “grandfathered-in” under the old rules?

Existing residents are not exempt from park rule changes. According to the MRL ([Civil Code §798.25](#)), the park can change a park rule and regulation as it applies to existing residents, after giving residents six-month’s notice of the change, or a 60-day notice if it involves changes in rules relating to the park’s recreational facilities, such as the swimming pool or recreational facilities within the clubhouse. The management must also meet and confer with park residents, at the residents’ request, upon a 6-month notice regarding a change in park rules but is not bound to accept residents’ suggestions or requests regarding the rules. ([Civil Code §798.25\(b\)](#))

Recap:

- Existing residents are not exempt from park rule changes.
- A 6-month advance written notice is required for a rule change.
- A 60-day advance written notice is required if a rule change affects the common recreational facilities.

29. Selective Enforcement of Park Rules

Can the park manager force rules on some residents and not on others?

No. The MRL provides that the park rules and regulations have to be “reasonable.” ([Civil Code §798.56\(d\)](#)) “Reasonable” often may be subject to court interpretation, but normally rules have to have some rational basis in fact under the circumstances, as well as apply evenly to everyone residing in the park. Park owners and their employees are required to abide by park rules to the same extent as residents have to, except rules regarding age limits or acts of the park owner or park employee undertaken to fulfill park maintenance, management or operational responsibilities (making noise by pounding nails, use of trucks for maintenance purposes, etc.). ([Civil Code §798.23](#))

Recap:

- Park rules shall be applied evenly to everyone residing in the park.

30. Senior Park Changed to All-Age Park

Do residents have a say in the elimination of the retirement lifestyle promised when they moved in, and shouldn't the park have facilities for kids if they convert to an all-age park?

Senior residents who have leases that provide that the park is a "retirement" or "senior" park and provide for specific facilities may have a case against diminution of services agreed upon in the lease or rental agreement.

The federal Fair Housing Amendments Act of 1988 prohibits discrimination against families with children in multiple residential housing but permits such housing, including mobilehome parks, to limit residency to seniors in one of two categories: 1) 55 and older, or 2) 62 and older, if the park meets certain minimum conditions. The major condition is that a minimum of 80% of the units are required to have at least one resident who is of age 55 or older. Federal law does not specifically address procedures for changing from a senior-only category to an all-age category, which in rental mobilehome parks under state law or by practice is often the sole decision of park management with a minimum notice. However, parks can lose their "senior" status if, upon a complaint, they fail to meet the statutory conditions, such as the 80% requirement. The law does not require parks or other multiple- residential housing complexes that convert to all-age to install playground or other facilities for children. Advocates of family housing have argued that such a requirement would drive up the cost of housing and discourage landlords from opening up restricted housing to families. Some local governments have imposed conditions on mobilehome park zoning or use permits by requiring parks that were developed as "senior parks", to be maintained as "senior" unless otherwise approved by the city or county. It is not clear to what extent these local zoning or use permit requirements may conflict with the federal Fair Housing Amendments Act.

Recap:

- Lease agreements that stipulate "senior" status and provide for specific senior amenities could be viewed as breached if the senior-status of the park is changed.
- Senior park status requires 80% of park units to have at least one resident 55 or older.
- The law does not require parks that are converted to "all-age" to install children's recreational facilities.
- No federal law specifically addresses guidelines for changing from "senior" to "all-age".

31. All-Age Park Back to Senior-Only Park

Is it legal for our all-age park to change back to a senior-only park?

This is an issue that has changed over the years. Pursuant to the passage of the Federal Fair Housing Amendments Act in 1988, and the adoption of federal HUD regulations to carry out the Act, it was originally believed that multiple residential communities could not backtrack once they had decided to open up to an "all-age" status. However, under the Housing for Older Persons Act of 1995 (HOPA), which amended the 1988 Act, regulations established a transition period until 2000 to provide a mechanism for communities to become housing for older persons if they had abandoned or did not achieve such status before HOPA. Then, in

2006, HUD adopted a memo to clarify how communities that did not convert to housing for older persons before the 2000 transition period deadline could do so. If vacated spaces fill up with qualifying seniors (55 or older), and the park does not discourage or discriminate against younger people from buying available homes when these vacancies occur, the park can be “built back” to a senior status. However, this is difficult to achieve and few parks, once they become family parks, have been able to go back to a 55-or-older status.

Recap:

- Reverting to a senior-only park is allowable, but rarely achievable.

32. Rights of Disabled Homeowners

What rights do residents with disabilities have?

Residents with disabilities are entitled to be free from harassment and discrimination in all aspects of housing. They also have a right to reasonable accommodation in rules, policies, practices, or services related to housing. This normally takes the form of a change in an existing rule, policy, practice or service, such as allowing an assistive animal even though the current rental agreement has a “no pet” provision. Residents with disabilities are also permitted, at their own expense and with proper permits, to modify their dwellings, e.g., by building a ramp, to ensure full enjoyment of the premises. ([Civil Code §798.29.6](#)) Modifications require obtaining proper permits beforehand. For additional information, contact the state Department of Fair Employment and Housing at (800) 233-3212, or at www.dfeh.ca.gov.

Recap:

- Disabled homeowners have the right to reasonable accommodations.
- Disabled homeowners are permitted to modify their own homes with proper permits.

32.1. Adult Protective Services Agencies

I am a manager in a mobilehome park where an elderly resident is putting herself in danger. When I call her family, they are unresponsive. What do I do to make sure she and the other residents are safe from harm?

Contact your county’s Adult Protective Services program. APS is a state-mandated program ([Welfare and Institutions Code §15610.10](#)) that provides evaluation and assistance for seniors (age 65 and older) and dependent adults (age 18-64 and physically or mentally impaired) who are reported to be unable to meet their own needs. APS agencies investigate reports of alleged victims endangered by physical, sexual or financial abuse, isolation, neglect, or self-neglect.

Recap:

- Call county APS for assistance, evaluation and intervention.
(See Community Resources, p. 83)

33. Occupancy Standard

Can the government force park management to limit the number of people living in a mobilehome?

The occupancy standard issue is difficult to solve. The issue has arisen at both the federal and state levels. Legislation has been considered but not enacted to create a “2 persons per bedroom plus 1” standard that is presently only a HUD guideline (e.g., if the home had 1 bedroom, the occupancy standard would be 3 persons; if the home had 2 bedrooms, the standard would be 5 persons, etc.). Proponents argue that occupancy standards are necessary to avoid overcrowding and unhealthy living conditions. Opponents contend that, especially in areas where the cost of housing is high, an occupancy standard may be interpreted as a form of discrimination against persons who can’t afford larger homes. Some cities have attempted to legislate occupancy standards, only to have their ordinances challenged in court. Mobilehomes usually have a design standard established by the manufacturer as the recommended occupancy for the size of the home. The park manager could try to establish an occupancy standard in the park rules based upon the design standard of each home or the HUD guideline, but the rule could possibly be subject to legal challenge.

Recap:

- The HUD guideline (2 persons per bedroom, plus 1) is a design standard, not a law.

34. Clubhouse Hours and Use

Does state law guarantee the park’s clubhouse to be open and available at reasonable hours?

Yes. In parks that have clubhouses or meeting halls, the MRL requires the common facilities to be open and available at reasonable hours, which are to be posted. ([Civil Code §798.24](#)) Homeowners may hold meetings at reasonable hours and in a reasonable manner in the clubhouse – when it is not otherwise in use – for any lawful purpose, including homeowner association meetings and meetings with public officials or candidates for public office. ([Civil Code §798.51](#))

Recap:

- The park shall make the clubhouse available to residents at reasonable hours for lawful purposes.

35. No-Pet Rule

Is it legal for parks to allow some residents to have pets and not allow others to have them?

It depends on the terms of the rental or lease contract. The MRL permits pets in parks with certain limitations, such as one domesticated dog, cat, bird or aquatic animal (kept within an aquarium), subject to “reasonable” park rules. ([Civil Code §798.33](#)) However, persons who signed a rental agreement prior to January 1, 2001 with a provision prohibiting pets are bound to that provision until the rental agreement expires or is renewed. Persons moving into a park after January 1, 2001 would be allowed to have pets that conform to the park’s rules as to size, height, or weight of the pet, and in some instances breed (e.g. some parks

prohibit big dogs, pit bulls and certain breeds with so-called aggressive tendencies). However, a person with a disability has the right to have an assistive animal as a reasonable accommodation for the disability when necessary to ensure equal opportunity to use and enjoy the housing.

Recap:

- If the current rental agreement, with a “no pet” provision, was signed before 01/01/2001, then the resident is prohibited from having a pet.
- If the current rental agreement was signed after 01/01/2001, then the resident can have pets that conform to park rules.
- If the resident has a disability, then he/she may request an assistive animal as a reasonable accommodation for the disability.

35.1. Trained Service Dogs vs. Emotional Support Animals

There are many residents in the park who have multiple emotional companion pets, although the rest of us have to obey a strict pet rule. What are the laws on this?

According to the California State Mental Health Services Authority, a “service” dog is trained to perform specific tasks to help a person with a physical or mental health disability; and an “emotional support (companion) animal” is an animal that provides comfort to a person with the mental health disability, without being trained to perform a specific task. The park owner may allow a “reasonable accommodation” for a service or companion animal if the animal does not pose a direct threat to other tenants, or physical harm to property. The owner of the service dog or companion animal is responsible for that animal, ensuring that it complies with local animal control laws and is not a danger or nuisance to the other residents in the park. The park manager may ask for a letter from the pet owner’s medical professional confirming the resident’s disability and stating why the support animal is needed. For more information: California Department of Fair Employment and Housing (800) 884-1684; Disability Rights California (800) 776-5746

Recap:

- A park manager may ask for medical proof of need for the support animal.
- A “service dog” is trained to perform specific tasks.
- An emotional support (“companion”) animal is not a “service” animal.
- The owner of the support animal is liable for the animal’s behavior.

36. Animal Control

I manage a park where pets and other animals are getting out of control. Some residents' dogs are aggressive toward other pets or residents, some residents feed feral cats, and some stray animals wander in packs. How do I solve these problems?

Contact the city or county animal services department for assistance. Local government services include abatement or information on the following matters: barking/nuisance dogs, rodents, stray/feral, license/registration/microchip, dog bites, neglect/abuse, spay/neuter, and prohibited aggressive breeds. Also, according to California Code of Regulations, Title 25 (health and safety requirements for mobilehome parks), [Article 2, Section 1114\(a\)](#), "Dogs and other domestic animals, and cats (domestic or feral) shall not be permitted to roam at-large (free) in any park." Finally, pet owners may be liable for damage or harm caused by their pets.

Recap:

- Contact city or county animal control agency.
(See Community Resources, p. 83)
- Pet owner may be legally liable for damage or harm caused by their pet.
- Feral animals are not pets.

37. Parking Restrictions and Towing

Is management allowed to restrict parking and have residents' cars towed?

Residents or guests who park in fire lanes, or in front of park entrances or fire hydrants, can be towed without notice. Residents' cars cannot be towed from their own parking space or driveway unless the vehicle does not conform to the park rules, in which case a 7-day notice is required. ([Civil Code §798.28.5](#)) However, if a vehicle presents a significant danger to the health and safety of residents, or is parked in another resident's space and that resident requests it be removed, the vehicle could be towed without the 7-day notice. ([Civil Code §798.25\(b\)\(2\)](#)) The extensive provisions of [Vehicle Code §22658](#) apply to both the management's and tow company's procedures in removal of the vehicle.

Recap:

- Management may have cars towed without notice if the parked car violates the health and safety of residents.
- Management may have cars towed, upon request, if one resident's car is parked in another resident's space.
- A 7-day written advance notice is required if a parked car does not conform to park rules.
- A 7-day notice is not required if a resident parks their car in another resident's space and the displaced resident requests the car be towed.

38. Subletting

Can the park prevent residents from subleasing their mobilehome?

Yes. Most mobilehome parks have rules that prohibit homeowners from subleasing their mobilehomes, even in hardship cases. However, in cases of seniors who require medical convalescence away from their homes, they may sublet for up to one year. ([Civil Code §798.23.5](#))

Recap:

- The park may prohibit a resident from subleasing.

39. RVs in Mobilehome Parks

Is it legal to place RVs on mobilehome spaces?

It depends on the circumstances. When mobilehome parks were first constructed, designation as a park would normally have been made as a condition of city or county use permits or zoning requirements. Therefore, the city would have to enforce the conditions of the permit or zoning ordinance. The State Department of Housing's Permit to Operate (PTO) reflects the number of mobilehome spaces and the number of RV lots. In the absence of local permit conditions though, a pre-1982 mobilehome park may allow RV's and mobilehomes to be situated on mobilehome spaces, but only RV's can be situated on RV spaces. In a mobilehome park developed after January 1, 1982, however, state law provides that mobilehome spaces shall not be rented for the accommodation of RVs unless they are in a separate area of the park designated for RVs and apart from the mobilehomes.

Recap:

- In parks developed before 1982: If there are no local permit or zoning restrictions, then RVs and mobilehomes may occupy mobilehome spaces, but mobilehomes may not occupy RV spaces.
- In parks developed after Jan. 1, 1982: No RVs are allowed on mobilehome spaces unless the mobilehome space is in the RV section of the park.

40. Caregiver Residency in the Park after Homeowner's Death

Can the manager evict a homeowner's caregiver from the park after the homeowner has died?

It depends upon the circumstances. Generally, a caregiver – including a caregiver-relative – does not have the right to continue to live in the park even if he or she has inherited the mobilehome. The caregiver statute ([Civil Code §798.34](#)) recognizes that a senior homeowner has the right to have a caregiver, even someone who is 18 or older in a senior park, to assist them with medical needs under a doctor's treatment plan, but the caregiver resident has no right of residency ([Civil Code §798.34\(c\)](#), (d)) and is considered a guest of the homeowner. Therefore, when the homeowner dies, the caregiver's right to continue to live in the park normally ends. If, however, the caregiver was a party to the homeowner's rental agreement, or had otherwise been accepted for co-residency by the park while the

homeowner was alive, the park could not evict the caregiver after the homeowner's death except for the same kind of reason they could have evicted the homeowner, such as failure to pay the rent. In either case, whether or not the caregiver has a right of residency in the park, if the caregiver inherits the home, he or she would have the right to resell it in place if they continue to pay the rent and fees and comply with other requirements of resale until the home is sold. ([Civil Code §798.78](#))

Recap:

- If the caregiver, or caregiver-heir is not listed on the rental or lease agreement, then they cannot assume they have inherited residency rights.
- The heir is responsible for rents and fees until the home is sold.

41-51 – PARK MAINTENANCE, INSPECTIONS AND SERVICES

41. Failure to Maintain the Park

How do residents get the park owner to fix the failing utility systems?

Contact the Department of Housing and Community Development (HCD) or local government, whichever has jurisdiction to inspect mobilehome parks. In more serious cases, residents may wish to consider legal counsel.

Recap:

- Contact the code enforcement agency – either state Dept. of Housing or local health department.

42. Mobilehome Park Inspection Program

Is the park manager allowed to force residents to correct code violations to their homes and spaces before a scheduled inspection by the state Dept. of Housing?

The state Department of Housing (HCD) operates a park inspection program with a goal of completing inspections in at least 5% of the parks in the state per year in order to assure that a reasonable level of health and safety is maintained in those parks. The inspection includes the park common facilities, such as lighting, roads, clubhouse, utilities, and other facilities for which the park is responsible, as well as individual home site spaces, including the outside of the homes and accessory structures for which the homeowner is responsible. HCD inspectors do not go inside a home unless requested to do so by the homeowner. Citations for violations, depending upon how serious, must either be corrected as soon as possible or within 30 to 60 days. Inspectors have the authority to extend the deadline for compliance if the situation warrants it. Homeowners may appeal a citation to HCD if they feel it is unwarranted. (HCD does not have authority to assess fines against homeowners who do not comply.)

Recap:

- The park manager may urge residents to correct code violations on the outside of their homes or on their spaces, or else the resident may risk citation by HCD.

43. Code Enforcement Agency

Which government agency is responsible for enforcement of health and safety regulations in my park?

In most cases, the state Department of Housing and Community Development has enforcement authority over mobilehome and RV parks. However, there are a few cities and counties that maintain code enforcement in their jurisdictions. View the “Mobilehome and Special Occupancy (RV) Parks listing” at www.hcd.ca.gov to find out which agency is responsible for code enforcement in your park.

44. Title 25: State of California Health and Safety Regulations

What is the difference between the Mobilehome Residency Law (MRL) and Title 25?

The MRL is the “landlord-tenant” law ([Civil Code §798](#), et seq.) for mobilehome park residency, governing the rights of park residents. “[Title 25](#)”, a section of the California Code of Regulations, governs the health and safety aspects of a mobilehome park’s buildings, lot lines, and utilities infrastructure, to name a few. Find Title 25 at www.hcd.ca.gov.

45. Combustible Storage and Trash

Does the park manager have the right to tell me to remove my belongings that are stored on my space?

The park manager has an obligation to keep the park safe from fire. According to California Code of Regulations, Title 25 (health and safety requirements for mobilehome parks), [Article 2, Section 1120](#), “Occupants shall keep the lot area and the area under, around, or on their unit and accessory buildings or structures free from an accumulation of refuse, rubbish, paper, leaves, brush or other combustible material,” and that park operators “...shall ensure that a collection system is provided and maintained, with covered containers, for the safe disposal of rubbish.”

Recap:

- There are strict fire prevention rules for mobilehome parks. Residents and park employees must comply with Title 25.

46. Reduction of Park Services

Can the park manager reduce or eliminate park services and amenities that resident have already been paying for?

Yes, if the services or amenities are not guaranteed in a signed rental or lease agreement. However, if the services and amenities are part of a signed lease or rental agreement ([Civil Code §798.15\(f\)](#)), they may be eliminated with equal reduction in rent.

Recap:

- The park management can reduce or eliminate park features if they are not agreed upon in a signed lease or rental agreement.

47. Lot Lines

Can the park owner or manager move lot lines without permission from residents whose spaces are affected?

Before moving a lot line, the management must obtain a permit ([Health and Safety Code §18610.5](#)) from the state Department of Housing and Community Development and verify that the park has obtained the consent of homeowners affected by the lot line change. However, in some older parks there are no markers or defined lot lines and no plot maps

indicating where the lot lines should be. In cases where there is no documented evidence of original lot lines, HCD may not be able to determine that the lot line has been moved and that a permit is required. The issue then becomes a legal matter between the park management and the affected homeowners.

Recap:

- A permit is required from the state Dept. of Housing before the park moves lot lines.
- In old parks with no official lot line maps, moving lot lines may require legal or regulatory oversight.

48. Trees and Driveways

Can the park manager force residents to pay for maintenance or removal of a tree on their space and for maintenance of their driveway?

It depends on the facts of the case. The “tree and driveway” issue has been subject to major debate for years. The park owner is responsible for maintenance or removal of a tree on the homeowner’s space only if it is a hazard or constitutes a health and safety violation, as determined by the enforcement/inspection agency (usually HCD). ([Civil Code §798.37.5](#)) Homeowners may have to pay a fee for an inspection where there is a dispute between the park and the homeowner over the tree and where the homeowner requests an inspection by HCD or the local enforcement agency. Inspectors have wide discretion in this regard, and if the inspector does not find a violation, the homeowner may end up having to pay to remove the tree anyway.

With regard to driveways, the park owner is responsible for maintenance unless the homeowner has damaged the driveway or the driveway was homeowner installed. Legal counsel has suggested, however, that [Civil Code §798.37.5\(c\)](#) seems to leave open the question whether a current homeowner is responsible for maintenance of a driveway installed by a prior homeowner, arguing that such a prior installed fixture belongs to the park.

Recap:

- If the signed lease or rental agreement makes the homeowner responsible, then the homeowner must pay.
- If there is no stipulation of responsibility in the lease agreement, then the park is only responsible if it is a health and safety hazard.
- Driveways may be the responsibility of park unless the driveway was homeowner installed or damaged by the homeowner.

49. Responsibility for Pre-Existing Code Violations

Is the mobilehome owner or the park owner responsible for correcting pre-existing code violations on the space?

The mobilehome owner is responsible. ([Civil Code §798.36](#)). Although the park operator is ultimately responsible for assuring that all citations on park property are corrected, the law does not require the park operator to pay for code violations involving the home or space

except in rare instances. The homeowner is primarily responsible for correcting any violations concerning the home or space on which he/she resides, including any pre-existing code violations after the sale of the home. This is one of the reasons that real estate disclosure was enacted in 2000 for mobilehome resales, although conditions not known to the seller cannot be disclosed. ([Civil Code §1102.6d](#))

Recap:

- The homeowner is responsible for correcting any code violations in or on their home, space and accessory structures, including pre-existing code violations.

50. Permit for Remodeling the Mobilehome

Does a resident need a permit from HCD to remodel their home, even though all the changes and upgrades are on the inside?

Homeowners need a permit from the state Department of Housing and Community Development (HCD). Only HCD, not local government, may issue permits for alterations of a mobile home's structural, fire safety, electrical, plumbing or mechanical components. The two offices that handle such permits are:

Northern California Area
Field Operations
9342 Tech Center Drive # 550
Sacramento, CA 95826
(916) 255-2501

Southern California Area
3737 Main Street
Riverside, CA 92501
(951) 782-4420

Recap:

- Permits are required. No exceptions.

51. Home Rehabilitation Assistance

Is there financial assistance available to residents for correction of code violations on their homes?

Many local governments have rehabilitation or repair grants for low income homeowners, including residents or owners of mobilehomes, in some cases. This money is made available through the [CalHome Program](#), operated by HCD, to local governments and non-profit organizations, as part of two housing bond issues approved by state voters in recent years. However, application must be made through local government, and not all local jurisdictions have such programs. There are usually income and residency eligibility requirements. Additionally, some jurisdictions do not consider mobilehomes "real property" eligible for rehab funding or may have restrictions on the kinds of repairs that will be funded. Contact the county housing agency for information on availability and eligibility.

Recap:

- The State passes money to the counties for home repair assistance to low-income mobilehome owners. Not all counties participate in this program.

52-57 – RESIDENT OWNED PARKS

52. Park Condo-Conversion to Resident Ownership

The park owner is planning a “condo-conversion”. Will homeowners who can’t afford to either buy their lot, or pay the higher rents once the park loses rent control protection, be economically evicted?

Not necessarily. A growing number of mobilehome park owners have been utilizing a special provision of the state’s Subdivision Map Act to convert their parks to “resident owned condominiums” or “subdivisions”, thus exempting the converted parks from local rent control after the sale of the first lot. Condominium interests in mobilehome park spaces must be offered to renting homeowners, and low-income homeowners who cannot afford to buy can continue to rent their spaces under a statute which limits rent increases, including “pre-conversion” pass-through fees, to the Consumer Price Index or less. ([Government Code 66427.5\(f\)\(2\)](#)) However, non-purchasing residents who are not low-income lose rent control protection upon the conversion and may have their rents increased to higher “market levels”. The state’s [Mobilehome Park Resident Ownership Program](#) (MPROP) provides limited financial assistance to low-income residents to help them buy their interests in resident-owned condo parks, and some local governments may also have financing to assist some as well.

Recap:

- Low-income renters keep rent control protections.
- Low-income buyers may qualify for state and local financial assistance.

53. Residents’ Right of First Refusal to Buy Park

Is the park owner required to offer residents the right-of-first-refusal to buy the park when it is put up for sale?

No. Although the MRL provides that the park management must give the governing board of the park homeowners association a 30-day written notice of the park owner’s intention to offer or list the park for sale, the notice is not a “right of first refusal,” does not apply to sales other than to offers or listings initiated by the park owner, and is only applicable if certain conditions are met. ([Civil Code §798.80](#)) In order to receive the notice, residents must form a homeowners association for the purpose of buying the park and register with the Secretary of State. The homeowners association must notify the park each year of the residents’ interest in buying the park. The notice requirement does not apply to the sale or transfer of the park to corporate affiliates, partners, or relatives, or transfers triggered by gift, devise, or operation of law, eminent domain, foreclosure, or transfers between joint tenants or tenants in common.

Recap:

- When selling the park, the park owner is not required to make the first offer to the homeowners’ association.
- The homeowners’ association may notify the park if it is interested in buying the park but it does not have the right of first refusal.

54. Laws Applicable to Resident-Owned Parks

Which state laws regulate the operation of non-profit resident owned parks – the MRL, the Mobilehome Parks Act, the Non-Profit Mutual Benefit Corporation Law, or the Davis-Stirling Common Interest Development Act?

All these laws may apply, but whether they do in a particular park depends upon the circumstances in each case and may require consultation with an attorney. Therefore, the following answer is only intended to have general application:

Mobilehome Residency Law (MRL). For a resident-owned park, Article 9 of the MRL, governing the relationship between residents and the park management ([Civil Code §799 et. seq.](#)), applies only to residents who have an ownership interest in the park, while Articles 1 through 8 ([Sections 798 – 798.88](#)), relating to rental parks, apply to any non-owning residents who continue to rent or lease their spaces in a resident-owned park. However, if the park is a non-profit mutual benefit corporation and no subdivision declaration or condominium plan has been recorded then Articles 1 through 8 apply to the owning residents in the park.

Mobilehome Parks Act ([Health and Safety Code 18200-18700](#)). The MPA governs health and safety (building) code requirements for both rental parks and resident-owned parks that were converted from formerly rental parks, but the MPA in most cases does not apply to resident-owned parks that were originally developed as manufactured housing subdivisions or communities under local development standards, not rental parks.

Non-Profit Mutual Benefit Corporation Law ([Corporations Code §7110](#), et. seq.). This law applies to a non-profit corporation which is a homeowners association that operates or governs a multiple residential community for the mutual benefit of the members of the association. However, the Corporations Code does not apply to unincorporated homeowners associations that operate such communities, of which there are estimated to be but a few.

Davis-Stirling Common Interest Development Act ([Civil Code 4000-6150](#)). This Act defines and regulates common interest developments (CIDs), including many resident-owned parks. In order to be a CID subject to the requirements of the Davis-Stirling Act, the park must 1) have a common area or common areas (such as roads, a club house, or other commonly used facilities) in addition to individual interests or residences, and 2) file with the county recorder a declaration of intent to create a CID along with a condominium plan, if applicable, or a final map or parcel map, if applicable, for the CID. In most cases where a resident-owned park is a condominium, planned unit development (PUD), or subdivision, the Davis-Stirling Act will apply. However, non-profit stock cooperatives or other resident-owned parks that are not subdivisions or condominiums may also be subject to the Davis-Stirling Act if a simple declaration creating the CID is recorded. Without the recording of such a declaration, however, the Davis-Stirling Act does not apply.

Recap:

- Different laws apply depending upon the form of ownership. Check with an attorney.

55. Stock Cooperatives and the Davis-Stirling Act

Is a mobilehome park cooperative subject to the Davis-Stirling Act?

The Davis-Stirling Act was specifically designed to apply to housing cooperatives, and in many cases it will be clear that the Act applies to those cooperatives. However, there will be some cases where the answer may be unclear.

There is no doubt that a cooperative can be a common interest development (“CID”) that is governed by the Act. The term “common interest development” was defined to include “stock cooperatives.” ([Civil Code §4100\(d\)](#)) A stock cooperative is a kind of CID where a corporation owns all of the real property and shareholders have a right of exclusive occupation of part of the property (i.e., a designated lot). [See [Civil Code §4190](#) (defining “stock cooperative”).]

However, there is a potential technical complication. The law also says that before any housing association may be considered a CID governed by the Davis-Stirling Act, it must also have recorded a “declaration.” ([Civil Code §4200](#)) If a mobile home community fits the definition of a “stock cooperative” and has a recorded declaration (as specified in [Civil Code §4250](#)), then it is nearly certain that it is governed by the Davis-Stirling Act. But if a stock cooperative does not have a recorded declaration that satisfies Section 4250, then there is an unanswered legal question about whether the Act applies.

Recap:

- A co-op can be a CID that is governed by Davis-Stirling, however, not all cases are clear. See an attorney.

56. Secretary of State: Researching Original Filing Documents

Where can our HOA board find a copy of the original articles of incorporation?

Contact the California Secretary of State’s division of Business Programs at (916) 657-5448. Or, search online at sos.ca.gov, under the heading “Business Programs” to request copies.

57. Disputes, Violations and Enforcement

Our HOA board may be violating CID laws. Is there an agency that enforces the law?

There is no regulatory agency that enforces the statutes (Business and Professions Code, Civil Code, etc.) related to homeowners’ governing boards. However, the California State Attorney General’s office provides some enforcement of portions of the Corporations Code related to HOA governing boards. Depending on the nature of the problem, seek the advice of a private attorney, contact your local district attorney’s office or bring your case to small claims court.

Recap:

- Search the website of the Attorney General’s Office (oag.ca.gov) for more information.

58-62 – PARK OWNERS AND MANAGERS

58. Manager-Resident Relations

What can residents do about park managers who act unprofessionally?

There are no state mandated qualifications to be a mobilehome park manager. Many are good managers, however a few lack professional training and oversight. The MRL gives residents certain rights, but when contentious issues have to be resolved, residents have a right to contact legal advocacy groups that will assist them in assessing and achieving a solution to the problem.

Recap:

- Contact local or state fair housing commission for counsel and assistance.
- Contact the county Small Claims Court advisor for more information.

59. Enforcement of the MRL

What good is the MRL if there is no enforcement and residents have to go to court to protect themselves?

The MRL – the landlord-tenant law for mobilehome parks – is part of the Civil Code. The enforcement mechanism is through the civil courts, not law enforcement or another government agency. The courts are a branch of government responsible for, among other aspects, resolving or ruling on civil disputes.

Recap:

- The MRL is enforced through the courts.
- Contact local legal services for assistance.
- Contact the county Small Claims Court advisor for more information.
(See Community Resources, p. 90)

60. Contacting Park Owner or Operator

How can residents find-out who owns and operates the park?

The manager shall provide the name and address of the park owner to residents who request it. ([Civil Code §798.28](#)) Also, listings of park owners/operators can be found on the state Department of Housing's (HCD's) Mobilehome and RV Parks Listing website.

Recap:

- For the name of the park owner or operator, search online at www.hcd.ca.gov.

61. Management Availability in Case of Emergencies

Does the law require a manager to be on the premises at all times in case of emergencies?

Not exactly. State law requires a manager or his/her designee to reside in parks with 50 or more spaces, but does not require them to be on the premises 24 hours a day. ([Health and Safety Code §18603](#)) It also requires a person to be available by phone, pager, answering machine or answering service, and to reasonably respond in a timely manner to emergencies concerning the operation and maintenance of the park. The agency responsible for enforcement of park health and safety requirements is either local government or HCD.

Recap:

- The park manager does not have to be on the premises 24 hours a day.
- Parks with less than 50 spaces do not require a manager to live on the premises.
- The park manager does have to be available by phone or other communication device to respond to health and safety emergencies affecting the park.

62. Park Manager Entering Lot

Does the park manager have the right to enter the resident's lot without notice?

The MRL provides that the park manager has the right to enter the lot at reasonable times and in a manner that does not interfere with the resident's "quiet enjoyment" for the purpose of maintaining utilities, trees and driveways, protection of the park, and for maintenance of the premises where the resident has failed to maintain them in accordance with the park rules. ([Civil Code §798.26](#)) The MRL does not require the manager to give the resident a notice for this purpose. However, the manager does not have the right to enter the home or enclosed accessory structure without prior written consent of the homeowner, except in an emergency or where the resident has abandoned the home. ([Civil Code §798.26\(b\)](#))

Recap:

- Park manager may enter private lots under reasonable circumstances, as defined in the MRL.
- Park manager cannot enter the home or enclosed accessory structures without prior written consent of the homeowner.

63-71 – HOME SALES, RESALES, TRANSFERS AND TITLES

63. Selling Home In-Place in Park

Can the resident be forced to move their home out of the park when they sell it just because the home is old?

If the home is NOT a mobilehome (less than 8 feet wide x 40 feet long) and is therefore classified as a recreational vehicle (trailer), the resident has no right to sell it in place and will have to move it. With regard to mobilehomes, the MRL ([Civil Code §798.73](#)) establishes two standards. Basically, the home cannot be required to be removed upon a resale if it is 1) more than 17-20 years old or older but meets health, safety and construction standards of state law, and 2) not in substantially rundown condition or disrepair, as determined in the reasonable discretion of management. If the management and resident disagree on the condition of the home, the resident may decide to hire a private home inspector to look at the home and repair any code violations or defects the inspector finds in his/her report. HCD inspectors no longer perform this function in most cases, although some local governments that perform mobilehome park inspections for the state may be willing to perform an inspection, for a fee.

Recap:

- RV and trailer owners may be forced to move their coach out of the park when they sell it.
- Mobilehomes are allowed to stay in the park after they are sold if they meet certain health and safety standards.

63.1. Selling Mobilehomes: Realtor's License and Clean Titles

I own a mobilehome park where there are many abandoned homes. Can I sell them without registering as a real estate agent?

Generally, the answer is “no”. First, in order to act as an agent between a seller or buyer of a used mobilehome or manufactured home, you either must be registered with HCD as a “manufactured home dealer” or with the Bureau of Real Estate as a licensed real estate agent. Acting as an unlicensed dealer or agent can result in criminal penalties, civil penalties, and citations of up to \$2,000 for each illegal sales activity.

The only exception to this is if the prior residents/homeowners have “walked away” from the homes, a park owner may sell them if he/she first obtains the right to ownership through a court action for the judgment of abandonment ([Civil Code §798.61](#)) or after a warehouse lien sale ([Civil Code §798.56a](#)). After that, if the park owner intends to rent, sell or salvage the units, the park owner must go to HCD and transfer title to his or her name, which includes paying all property taxes or HCD fees that are owed. HCD also has special procedures for when the prior registered owner cannot be found or when there are unpaid or unsatisfied loans on the home. Only after registering as the new owner may the park owner (who is now the homeowner) rent, sell, or salvage the abandoned homes.

Recap:

- Only HCD-licensed dealers or BRE-licensed real estate agents may sell used manufactured homes in a park. Exception: When previous owner has “walked away”, park owner must follow legal procedures governing judgment of abandonment or warehouse lien sale.
- It is illegal for anyone to sell, rent, or salvage a manufactured home that is not registered in his or her name.

64. Resale of a Park Model in the Park

Can the resident be forced to move their park-model out of the park after they sell it?

Even though it may look like a small home, a park model is not a mobilehome. It is a “park trailer,” as defined in the Health and Safety Code, which is essentially a type of recreational vehicle that has 400 square feet or less of floor space. A number of mobilehome parks in California accommodate both mobilehomes or manufactured homes, as well as recreational vehicles, but provisions of the MRL that require parks to allow homeowners to resell their homes in place in the park only apply if the home is a mobilehome or a manufactured home.

Recap:

- A park-model is not a mobilehome, therefore the resident may be forced to move a park-model out of the park when it is sold.

65. Prospective Buyers Subject to Income Requirements

Can the park’s income requirements on prospective buyers prevent a resident from selling their home?

Yes. The sale of a mobilehome located in a mobilehome park is a three-party, not two-party transaction. The buyer and seller must not only agree to the terms of the sale of the home, but the buyer must be approved for residency in the park by the park owner/management. Management can withhold approval on the basis of: 1) the buyer’s inability to pay the rent and charges of the park, and 2) the buyer’s inability to comply with park rules and regulations as indicated by prior tenancies (see [Civil Code §798.74](#)). Although guidelines used by other landlords or public agencies for rental housing may be more lenient, many park owners impose higher income requirements to assure buyers will be able to afford future rent increases without causing the park problems, such as evictions.

Recap:

- A prospective buyer must be approved for residency by the park manager/owner.
- A prospective buyer can be rejected if they don’t meet the income standards for the park.

66. Rights of Heirs Inheriting Mobilehomes

Can the park prevent a resident from living in a mobilehome they inherited?

Yes, unless the resident qualifies for residency and has signed a rental agreement. Upon death of a homeowner, heirs cannot simply assume they can move into the decedent's home or continue to live there if they are not already a party to the rental agreement. Despite the fact that an heir takes title to the mobilehome, the park management has the right to require an heir, or person who had been living with the resident, to newly apply for residency in the park. If the management rejects the heir's residency because the heir cannot comply with the rules or doesn't have the income to pay the rent and charges, the heir can be required to move out. The heir has the right to resell the inherited mobilehome in place in the park ([Civil Code §798.78\(a\)](#)), assuming it meets health and safety code requirements ([Civil Code §798.78\(b\)](#)), but must continue to pay the monthly space rent until the home is sold in order to maintain the right to sell it in place in the park. Otherwise, the park may terminate the tenancy and require the home to be moved from the park within 60 days of the notice of termination. ([Civil Code §798.73](#))

Recap:

- The heir of a mobilehome cannot assume he/she has residency rights if he/she has not been on the rental agreement.
- The heir has the right to sell the mobilehome in-place, as long as it meets health and safety requirements.
- The heir must continue to pay rent and fees as long as he/she owns the home in the park.

67. Adding or Changing Name on Title of Home

How do I change or add a name on the title to my mobilehome?

Contact the state Department of Housing and Community Development's Registration and Titling division at (800) 952-8356.

68. Replacing a Lost or Never-Received Title

I don't have the title to my mobilehome. Where can I get a copy?

Every mobilehome owner must have a copy of the current registration for their home. ([Health and Safety Code §18080.4](#)) Contact the state Department of Housing and Community Development's Registration and Titling division at (800) 952-8356 for assistance, or search hcd.cd.gov.

69. Resale Disclosure

Do residents have to provide a resale disclosure statement when they sell their mobilehome as-is?

As a measure of consumer protection, mobilehome resale disclosure ([Civil Code §1102.6d](#)) became effective in January 2000, making mobilehome sellers and their agents responsible for providing prospective buyers, by close of escrow, with a resale disclosure statement. The form requires the seller to check off a list of conditions or defects that may affect the value or condition of the home. The seller is not subject to a penalty or fine for failing to provide the disclosure to the buyer, and the fact that disclosure was not made does not invalidate the sale of the home. However, after purchasing the home, if the buyer discovers defects that were not disclosed by the seller, the fact that the disclosure statement was not provided could affect the outcome of the seller's civil liability in court for the defect. Real estate brokers and dealers are also subject to the disclosure requirements and sales agents almost always include the disclosure report. The state Dept. of Housing (HCD) is not required to notify selling homeowners.

Recap:

- Sellers are advised to provide a resale disclosure form, even on "as-is" sales, to avoid possible liability after the sale. ([Civil Code §1102.1\(a\)](#))

70. Homeowner May Be Required to Sell Home to the Park on Resale

Can the manager force a resident to first offer their home for sale to the park?

It depends on the rental agreement. The MRL provides that a park rental agreement entered into on or after January 1, 2006, shall not include a provision or rule or regulation requiring homeowners to grant the park the right of first refusal to buy their homes on resale. ([Civil Code §798.19.5](#)) Hence, if the homeowner entered into a lease on or after January 1, 2006, or is on a month-to-month tenancy, the park could not enforce a right of first refusal to buy the home. However, homeowners may be subject to such a park right of first refusal if they signed a long-term lease with such a provision before January 1, 2006, and that lease has not yet expired. Additionally, the law does not prevent a homeowner and the park from entering into a separate agreement, apart from the lease, for the right of first refusal where the homeowner obtains consideration or compensation from the park for that right.

Recap:

- Check the rental or lease agreement for details on whether the park has the right of first refusal to buy the mobilehome.

71. New Home Defects and Warranties

What are the rights of a resident whose new manufactured home has defects?

New mobilehome or manufactured home warranty complaints must be filed in writing with the dealer and manufacturer within the warranty period, by law, one year and ten days from the date of delivery or occupancy, whichever is earlier. This is necessary in order to preserve the purchaser's rights under the warranty should litigation or a state Department of Housing (HCD) investigation not commence until after the warranty has expired. Accessories that were purchased with the home as a package are normally covered by the warranty. An installation problem may complicate warranty complaints. If the home was installed by a licensed contractor as arranged by the dealer, both the dealer and contractor may be responsible. If the homeowner hired the installer independently from the dealer sale, there may be an issue of whether the problem with the home results from faulty installation, and thus is only the responsibility of the installer, or results from manufacturing defects. If the dealer or manufacturer does not satisfactorily respond within a reasonable period of time after filing the complaint with them, the homeowner should contact HCD's Office of the Mobilehome Ombudsman (800-952-5275) about filing a dealer complaint. Complaints about licensed contractor installers should be addressed to the Contractors State Licensing Board (800-321-2752 or www.cslb.ca.gov).

Recap:

- A warranty is good for 1 year and 10 days after date of delivery or occupancy.
- If the home was installed by an independent contractor, then problems may occur with identifying who is liable for defects.

72 – RESOURCES FROM NEW LEGISLATION

72. New Enforcement Agency for Mobilehome Residency Law Violations

Who can I contact if I believe my mobilehome park manager/owner is violating my mobilehome residency rights?

Currently, if you believe a violation of the Mobilehome Residency law has occurred, enforcement is limited to the court system, i.e. via either local small claims or superior courts; the latter often requiring that a lawyer be hired by the homeowner. Beginning July 1, 2020 the Mobilehome Residency Law Protection Act establish a new enforcement system that is administered by HCD for violations of the Mobilehome Residency Law. HCD shall provide assistance in taking and helping to resolve and coordinate the resolution of those complaints. All complaints shall be reviewed, with the most egregious being referred by HCD to local nonprofit legal aid offices for enforcement at no cost to the homeowner. If multiple complaints are received involving the same park manager/owner they will be consolidated to a single investigation. HCD will provide you with a letter confirming receipt of each filed complaint which references the provisions of the Mobilehome Residency Law that pertain to the complaint. In evaluating a complaint HCD may request that the park owner furnish a copy of any relevant documents within 15 days, and can fine a park owner who fails to comply \$250.00 for each such failure. If HCD selects a complaint for enforcement, both the homeowner and the park owner will be notified and given 25 days to negotiate and resolve the matter before it is referred to a local legal provider for enforcement. Any alleged health and safety or Title 25 violations shall continue to be handled by HCD as is currently the case. For questions regarding the MRLPP call (800) 952-8356, email MRLComplaint@hcd.ca.gov or visit www.hcd.ca.gov.

Recap:

- The court system is the only current way to enforce violations of the Mobilehome Residency Law, while HCD handles Title 25 Health and Safety violations.
- Mobilehome Residency Law Protection Act enables HCD to receive and evaluate complaints re: MRL violations for possible local law office enforcement. Multiple complaints will be condensed into a single investigation.
- There is no cost to the homeowner if legal action is taken by local legal enforcement.
- HCD shall review all complaints and send the complainant a confirming receipt referencing the applicable MRL provision(s).
- Only the most egregious complaints shall be referred by HCD for legal enforcement.
- For questions regarding the MRLPP call (800) 952-8356, email MRLComplaint@hcd.ca.gov or visit www.hcd.ca.gov
- See resource guide on page 90 for local resources.
